## Local Chairman Thanks Citizens For Fine Response

The following statement was made today by Gordon L. Price, Chairman of the Roanoke Rapids Chapter of the American Red Cross:

"The quota for this chapter was \$250. and so far the chapter has received \$290.00.

"As chairman of this chapter I wish to thank each one of you who made the above possible. It was due to your interest and generosity that we succeeded. I have never found a better spirit of giving and cooperating than I found among the mills, drug stores, theatres, P. O., hospitals, and the people of the community.

"Since I began writing this article I have received a telegram from Cary T. Grayson. I trust you will read it and if you have not contributed to this cause, please do so, and if you would like to include your gift I will appreciate same. Send donation to me or call me over telephone and I will be glad to collect it."
