NUMBER FORTY-FIVE

THE NEW VOTING PRECINCTS

A. Roanoke No. 1 Village; B. Belmont; C. Roanoke Mill No. 2; D. Patterson Mill Village; E. Rosemary Mfg. Co.

Above sketch shows the four new voting precincts in Roanoke Rapids Township. No. 1 precinct goes to 4th Street; No. 2 precinct goes from 4th to 8th Street and includes part of No. 2 village, all of Patterson village and Belmont; No. 3 goes from 8th Street to the railroad; No. 4 from the railroad to the South boundary of the township.

Books for the new registration open Saturday and the four registrars will be at the polling places shown on the above sketch on this coming Saturday and for the next two Saturdays.

Look over the above drawing and decide which of the new precincts you live in. It is much more convenient now with four voting places instead of two. Go to your registrar and register in order to vote in the coming primary election and all future county and state elections.
