AURELIAN SPRINGS CLUB SCORES HIGHEST IN STATE

The members of the Aurelian Springs Chapter of Young Tar Heel Farmers pictured on the front page of this issue are very happy these days. Roy H. Thomas, State Supervisor of Agricultural Education, has just declared them the high scoring Chapter in the State Wide Contest for 1936. The Chapter score was 717 points out of a possible 845. The big fellow on the right is Chapter advisor and Teacher of Agriculture, E. K. Veach. On the left is Principal V. C. Matthews standing beside County Superintendent A. E. Akers of Halifax County. Over Superintendent Akers' shoulder is

District Supervisor, N. B. Chesnutt, with E. W. Liles, Chariman of the local school board, just under the window. In the center picture President Roger Gupton is receiving the \$100 check of award from E. N. Meekins, State Supervisor of The Agricultural Development Bureau of The Barrett Company, Manufacturers of Arcadian, The American Nitrate of Soda. The Barrett Company is cooperating with the Division of Vocational Education State Department of Public Instruction in conducting the contest. Chapter winners in the other three districts of the state are the Candor Chap-

ter, Montgomery County, in District Three with 622 points; the Apex Chapter, Wake County, in District One, with 605 points; and the Woodleaf Chapter, Rowan County, in District Four with 591 points. Each of these Chapters received prizes of \$50 for winning in their respective district. The Aurelian Springs Chapter, in addition to being declared State winner, is also winner for District Two and, therefore, will keep the loving cup shown in the picture during the coming year. The log cabin Chapter House in the background was constructed by the boys under the leadership of Teacher Veach.
