## Textile Club To Open Here June 17th For Guests

The Textile Club will open June 17th here at the old J. A. Moore house, 502 Washington St.

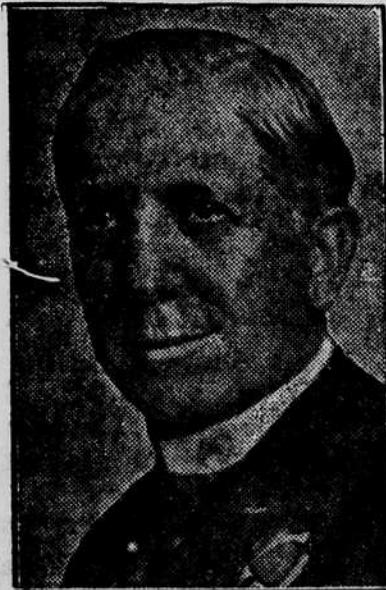

The house has been fixed up for the purpose of providing quarters for officials of Simmons Company and Rosemary Sales Inc. of New York and Chicago, selling agents for the local mills, and also to accommodate buyers of the products of the local mills.

This will give customers of the mills an opportunity to visit the mills and see displays of the products here and will also provide suitable quarters for officials of the mills and their selling agency.

By bringing buyers here it is hoped to build up good will with the customers and thus help to provide more orders and more steady employment in the local mills.

## McDonald Sweeps Halifax County In Governor Race

### SWAMPED IN COUNTY
