A DIAMOND RING

is something you do not buy every day. To most people it represents the purchase of a lifetime. Naturally you exercise care in its selection.

We point with pride to our many years experience in providing DIAMONDS for the most discriminate buyers, and it is with pleasure that we offer you our every facility in the selection of so precious a stone. Regardless of your requirements we believe we can take care of them. At any rate - "let's talk it over."
