There will be a meeting of Shaw Post, No. 38 of the American Legion at the County Board of Health office in Weldon 7:30 p.m. this Friday, according to announcement of D. P. Moore, Post Adjutant.

Under provisions from State and Federal aid, all children and adults so desiring will receive free treatment at the Crippled Clinics held in Roanoke Rapids every month. In the past, those able to pay could be charged but now the clinic is free to all persons. Unless more persons from Roanoke Rapids and Halifax County are found who need treatment, the clinic may be discontinued. County Health Officer McGeachey reported tonight that the number of crippled in this county was far below the average.

The five amendments to the State constitution were discussed tonight by J. R. Allsbrook at the regular weekly meeting of the Kiwanis Club. These proposed amendments will be voted on next Tuesday. They are to increase the number of Supreme Court judges from five to seven, increase income tax maximum from 6 to 10 per cent, classification of property for taxation, exemption on homesteads lived in up to \$1,000, debt limitation on State and municipalities.

The total today sold is about 320, which is about the number sold last year. Police will make a check-up soon, looking particularly for those "dead dogs" of owners who returned their slips with the report their dog was dead or about to be dead.

A call for an ambulance came Saturday night from Shaw's Filling Station on the Littleton Road, reporting an auto wreck near there in which several Negroes were supposed to have been hurt. To the Voters of North Carolina:

Five Constitutional Amendments are to be voted on November 3. No. 1 relates to the Supreme Court, but Nos. 2, 3, 4, and 5 relate to taxation. They will be numbered on the ballot as follows:

No. 2. Permitting a tax exemption on homes up to \$1,000 (the Legislature deciding the amount).

No. 3. Permitting classification of property (if and when the Legislature decides it wise).

No. 4. Authorizing a higher tax on great incomes (but not to exceed 10%).

No. 5. Preventing increase in public debt except by vote of the people.

A magnificent group of North Carolina leaders who have heard all the arguments for and against these four taxation amendments unhesitatingly say: "Vote for all of them." And in this group are friends you know and trust.

**Memorial Service For Miss Long**

A most impressive memorial service was held at Black Creek, seven miles from Wilson Sunday afternoon, at the school auditorium in loving tribute to Miss Edna Long of Seaboard whose death occurred at Rocky Mount Hospital following an operation June 16.

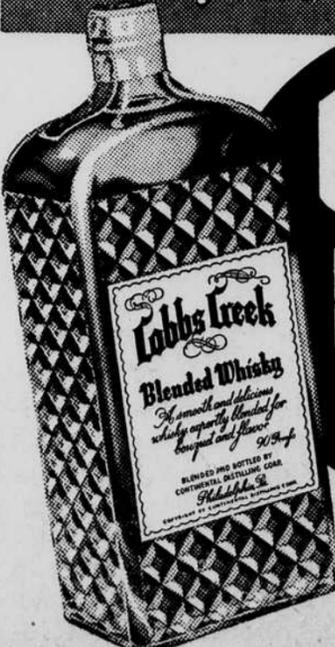

This service was arranged by the people in the community because of their love and appreciation for Miss Long's untiring service and devotion as a school teacher in their community for thirteen years. She had endeared herself to a host of friends as was manifested by the large attendance at the service.

Dr. Hugh A. Ellis of Wilson led the prayer, an address was given by Rev. John Barclay of Wilson and Rev. E. R. Shuler of Fremont closed with a short talk.

All members of the immediate family were present besides a host of friends from neighboring cities.

Miss Long who had many friends in this city will be remembered as a sister of Mrs. Thurman Bullock.
