

# LEGGETTS LAST CALL

TOYS - GIFTS OF ALL KINDS - FOR EVERYONE

Two weeks ago we announced the Opening of our TOYLAND—in our NEW 4,000 sq. ft. floor space addition to our store. At that time we had thousands of fine, useful toys for every youngster. In spite of the great response, we have re-ordered, replenished our stocks until today we are equally prepared to take care of your needs.

Only 2 more days until Christmas—but don't leave one single person off your list because you've waited until the "last minute." We have prepared for just such an emergency. Regardless of age, sex or taste, you'll find many appropriate gifts in our GIFT DEPARTMENT— and regardless of the amount you want to spend.

**ARE YOU PAYING THE PENALTY OF THE "LAST-MINUTE SHOPPER?" IF SO LET US HELP YOU!**
