It's our family's whiskey, neighbor—and neighbor, it's your price!

Neighbors dropping by for egg nog

That's me mixing the egg nog and my brother in law Tom with his back facing you. My brother William is sort of half sitting on the sink. Coming in the door—that's Larry Burkes. It's old Nat Weeks with his hand in his pocket. The party with the pipe, folks around here just call Cap.

There's no egg nog I know of near so tasty as our Family's Whiskey makes!

I thought maybe you'd like to know what us distillers think is the way of mixing a egg nog that's got a tastiness like nothing else. It's made of the exact same whiskey as is used by us distillers for our egg nogs. Our own Family's Whiskey—made according to the personal Family's Recipe of us Wilkens—our family having been distilling folks ever since anybody can remember. You just ask for The Wilken Family Whiskey. And here's the way you mix your egg nog.

EGG NOG—1 tablespoon Sugar or 1 oz. Rock Candy Syrup. 1 fresh Egg. 1/3 glass fine Ice. 1 wine-glass Wilken Family Whiskey. Fill up with milk.

Mix in a bowl or shake in an "egg nog" shaker, and strain. Grate a little nutmeg on top and serve.
