

# LEGGETT'S FRIDAY BRINGS OUR SIXTH

## Six Years in Roanoke Rapids! *Birthday Sale*

Although it is a firm policy of Leggett's ever to LOOK FORWARD rather than backward, we believe it is entirely befitting to pause at this time and reflect upon some of the changes the years have brought since we first opened our doors in Roanoke Rapids in August, 1931.

At that time we were new to the people of this community. Our methods of doing business were comparatively unknown to thousands of shoppers in the territory into which we had just established a store. We would be ungrateful not to thank each and every one of you for the immediate acceptance you gave us.

It is a source of considerable pride to us to know that our store has constantly grown from that first opening day. Many improvements have been made in our store from year to year. We now carry many more thousands of dollars worth of stock than we opened with. Our personnel has kept pace with our increased business.

We attribute this growth to the sole fact that we have served you well. We appreciate the loyal support you have given us and pledge anew our efforts to make our store of more service to the community, and to try always to merit the confidence you have placed in us.

**OCTAGON SOAP  
& POWDERS  
5 for 10c**
