

Firemen Get Awards

16 TO RECEIVE CERTIFICATES FROM RED CROSS FRIDAY

Sixteen members of the Roanoke Rapids Fire Department will be awarded First Aid certificates by the American Red Cross in a ceremony which will be held at the court room of the Municipal Building at 7:30 p.m. this Friday.

Those who will receive the certificates, showing they have passed the Standard Course of Red Cross First Aid to the injured are firemen: Godwin T. Lane, Buck Whitby, Joseph C. Justice, William W. Jones, John J. Ingram, W. A. Hoggard, Esmond S. Hasty, Charley R. Harlow, Herbert B. Duke, Cyrus D. Camp, Charley L. Bristow, Richard P. Bounds, Albert Spruill, William A. Wright, Robert Sledge and John A. Lipscomb.

A program is being arranged to which the public is invited and will include talks by Mayor Kelly Jenkins, Chief Jack Lipscomb, First Aid Instructor Sherrod Crumpler and the awarding of the certificates by the Rev. Gordon L. Price, Chairman of the Roanoke Rapids Chapter.

The following letter was received by Mr. Price from the national headquarters of the American Red Cross:

My dear Mr. Price:

You will find enclosed, for counter-signature and delivery, sixteen Standard Course First Aid certificates for members of the Fire Department in Roanoke Rapids, who completed their training on October 29 with instructor S. H. Crumpler. We are also sending you the 1938 appointment for Mr. Crumpler to cover further training he may give in your chapter area during the coming year.

In answer to your inquiry as to the possibility of our providing insignia for firemen, we should call to your attention that our requirement for the distribution of the sleeve emblem is that the Standard and Advanced First Aid Course shall have been completed. If you will let us know the names of the seventeen men desiring the insignia and at the same time indicate when and where they completed the desired training, giving us the name of the instructor, we will be glad to give immediate consideration to your order. We make this request, because we are not in a position to issue the First Aid insignia unless we can have the complete details.

Very sincerely yours,
Richard W. Thrush,
Assistant Director
