ROSEMARY RECREATION
 Softball! Tennis! Basketball! By Bill! Checkers! Ping Pong!

Rosemary No. 1 Spinners headed by Capt. Beach Massey will oppose Rocky Mount Mills of Rocky Mount N. C. here Sunday, 2:30 p.m. at Ledgerwood Park. The Spins are on top in the Rosemary Softball League. Russ Deberry will pitch and Ronald Everette will catch for the Spins. Capt. Massey will probably send "Ace" Wright to the mound in the nightcap. There is plenty of parking space available which makes it possible for you to sit in your car and enjoy the game.

Rosemary No. 1 Spins and No. 2 Weavers journeyed over to Williams Field, Patterson, last Sunday, and played a double-header with Roddy Meikle and his Patterson team and Oakley Vaughn and his No. 1 Roanoke Mill outfit. Everybody had a good time, even the umpires enjoying the games.

Give a boost to "Ace" Wright, who held the heavy hitting No. 2 Weavers to two hits by Dick Lee and won his game 1-0, in eleven innings. It was the longest game played so far in the league. Lindsay Sadler scored the winning run in the 11th on a wild throw.

Ronny Everette, the heavy hitting catcher of No. 1 Spins, has been on the shelf for the past week with a bad ankle but will be back in harness Sunday.

Tennis, shuffleboard and horse-shoes will be in full bloom next week as the summer recreational program gets in full swing. Included on the horse shoers' schedule is a contest with Richmond in June. The visiting team has the city and Va. state champion on it.

Why not a junior softball or baseball league this summer with a team on each street in the village, to be sponsored by the Recreation Club, and each team to be coached by an older member. One of the requirements—each boy must attend Sunday School every Sunday. The kids are future members of the club, you know. Give it a thought, President Cameron!

And do you remember some of the boys who at one time played in the Rosemary street league of long ago—Geo. Sullivan, Irvin Dickens, George Nethercutt, Hurley Midgette, Dick Lee, Fred Mills, Snooks Matthews, Wilton Dickens, Elmer Starke, Lefty Everette, Woody Garris, Jimmy Womble, Chet Allbrook, Tom Taylor, Rudolph Waters, and plenty more. It would pay to have a street league.

Patterson Recreation table tennis team visited Rosemary Tuesday night with an eight-man team and lost six matches to two. However, in all fairness to the Patterson team, they were heavily handicapped because they have been playing table tennis and the Rosemary boys have been playing ping pong. However, in a sportsmanlike attitude, Roddy Meikle agreed to play ping pong and the matches went on. Personally, I think it would be a good idea to have a meeting of Veeco, Patterson, Roanoke and Rosemary agree on a set of rules, form a league, buy a trophy and go to town!

Watch "Red" Carver, if the red-headed one keeps on improving in his softball, watch out. He's a hard worker and if he keeps that up improvement is bound to continue!

They finally did it! The Rosemary ping pong team evened the series with Virginia Electric & Power by a 5-3 score. The first meet was in favor of Veeco 5-3. The return match played at Veeco ended in a tie, 4-4. The games Wednesday night evened things up. Another match will be played next

Wednesday night at Veeco. Frank Sherry has a fine team, all of them are good sports, and the Rosemary team really enjoys the competition.

Sportorama: Will be looking for you at Ledgerwood Sunday.—Why not a ping pong league.—Why don't the softball players get together themselves and have a City Softball League—it's just an idea!

Leggett's Old Shoe Contest On

With Leggett's Department Store's Shoe Department-Bicycle Contest in the 3rd week, there are some two score or more youngsters "battling it out" for the first four places, and the coveted prizes.

A unique feature of the contest is that the store allows 2,000 votes for every pair of old shoes brought to the store on Monday. There is already a huge pile of the old shoes on display at the store, and every Monday sees many hundreds more being brought to the store. At the end of the contest, these old shoes will be selected, the better ones repaired, and turned over to charity for distribution among the needy.

First prize in the contest is a handsome bicycle, second prize a radio, third prize a wrist watch, and fourth prize an air rifle. It isn't necessary to spend a cent in order to win any one of these handsome prizes, and according to the management of the store it is not yet too late to enter the contest, which will not close until June 15th.

This week's count showed the following twenty-one youngsters in the lead, in their order named: Warren Radcliffe, Raymond Brown, Edward Lynch, Wilford Letchworth, Mildred Coston, Lonnie Hansley, Francis Dickens, Annette O. Edwards, John Cullom, Harvey Taylor, Milton Stevenson, Ray Nicholson, Pete Wells, Ralph Worrock, George Mayton, Phillip Pullen, Nathaniel Lyles, Calvin Cook, Vern Fairchild, and Louise Rightmyer.

Full details, contest rules, and particulars of the contest may be obtained by anyone interested by applying to the shoe department of Leggetts.

Barrymore Debut

Ethel Barrymore Colt, daughter of Ethel Barrymore and crown princess of the American theatre's Royal Family, makes her debut in Boston as a night club entertainer. Miss Colt says she has now tried every entertainment field except burlesque and grand opera.

Seminoles at Fair

This typical Seminole family is part of the never-conquered tribe of renegade Indians from the Florida Everglades. Recognizing no authority but own customs, they will endeavor to preserve that autonomy at their Seminole village at the New York World's Fair, where they have squatted.

Mr. George R. Turner announces the engagement of his daughter, Helen, to Haywood Gordon Stott, the wedding to take place in June.

Goldsboro Comes Here Saturday

The Roanoke Rapids Yellow Jackets will meet the strong Goldsboro baseball team here Saturday afternoon at 3:00 o'clock in an Eastern Conference game.

Goldsboro is one of the leading teams in the conference, but the Jax are primed for them since they have hit their upward stride recently. Last year the two teams won one each of their two frays.

Simms, who held the strong Washington team to a lone single in last Wednesday's game, will probably be the starting moundsmen for the Jax. Wright will do the receiving.
