

New Streets

(Continued from Page 1)

over a four inch macadam base. Gutters and curbing would be of concrete.

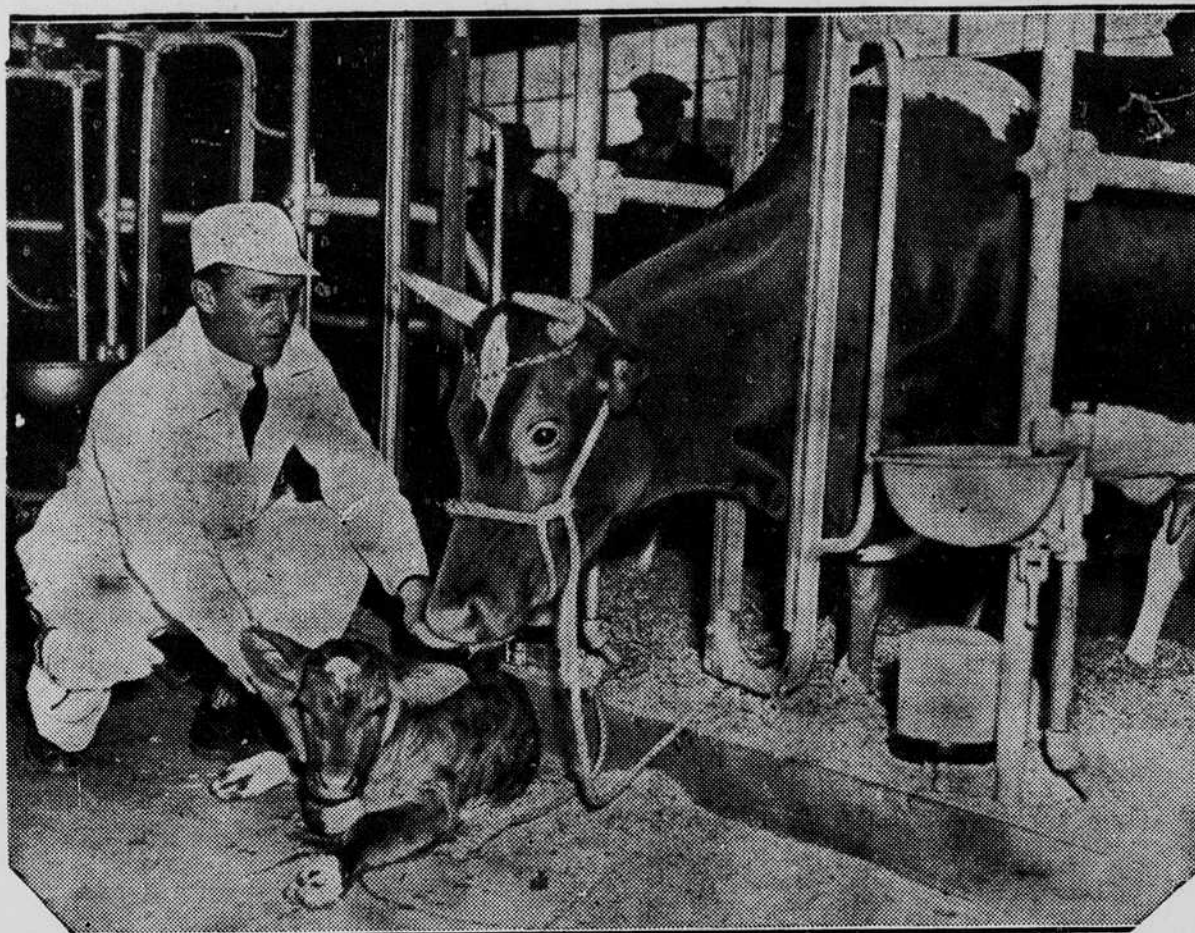

The tentative plans in mind are to pave the following side streets: Paving and curb and gutter on 5th Street from Jackson to Monroe, connecting with the concrete on Jackson and on Tenth Street from the city limits at Rapids Street back to the concrete paving at Madison Street.

Paving 22 feet wide, crowned for later gutter and curb, on the following:

- 2nd St. Hamilton to Jefferson.
 - 3rd St. Jackson to Henry.
 - 4th St. Hamilton to Charlotte.
 - 5th St. Jackson to city limits
 - Bolling Road from Cedar to connect with present surface
 - 7th St. Hamilton to Williams
 - 8th St. Jackson to Vance
 - 10th St. Hamilton to Jefferson
 - Madison to Rapids
 - 11th St. Hamilton to Williams
 - 13th St. Hamilton to Jefferson
- Storm sewers will be placed on Jefferson between 7th and 9th; on 10th St. from Franklin to Henry; and thru Greenbergs on Roanoke Ave.

Should the project be approved by Federal WPA, on completion it would give Roanoke Rapids ten miles of paved streets.

KIWANIANS INVITE LIONS TO SEE ROSE BOWL GAME TONITE

With another record-breaking attendance for two weekly meetings in a row, the Roanoke Rapids Kiwanis Club brought tears of joy to President T. J. Alford's eyes tonight by turning out almost 100 per cent to see Heath Lee bring the moving pictures of the trip and game to the Rose Bowl by Duke University on last New Year's.

Members of the Lions Club were special guests of the Kiwanians at the showing which was given in the High School auditorium before about 200 persons, including members of the High School football squad and Duke alumni. Running comment with the picture was given by Messrs. Bowers and Barton of Duke, who brought the film here.

Frank C. Williams, who represented the Kiwanis Club at a Summer Playground meeting this afternoon, reported that a budget of \$1,200 had been raised (with no hat-passing) to equal the program of last Summer, when Coach Cranford Hoyle supervised a program for five city playgrounds and the swimming pool, for recreation to 1,000 children every day. The City Schools, the City Board and Community Chest will provide the funds to carry on this fine work during vacation time.

On approval of Hugh Horne and his underprivileged committee, the club voted to advance \$48 for braces for a crippled boy in the city and two trips to Duke to fit them. The committee had the recommendation of Kiwanians Weathers and

Sykes who had examined the boy. This money is to come from the Minstrel-Revue fund.

Fred Wilmer announced a meeting of the committee on vocational guidance at his home. Frank Sherry was appointed to send invitations to all members of the Minstrel cast for the open-air barbecue next Thursday at 6 p.m. at Chockoyotte Golf Club.

The club voted with Charley Davis to invite the County Board of Commissioners on May 25 to inspect the new High school building and to see an exhibit of the Manual Arts Dept.

Howard Pruden announced finals for the Marble Tourney, sponsored by the Kiwanis and Lions Club, at 3:30 Friday afternoon at the High School South playground, to see who will go to Greensboro as marble champion of the city with all expenses paid.
