

Joint Meeting of Girl Scouts

On Friday, April 29, the Girl Scouts of Roanoke Rapids held a joint meeting in the high school lunchroom for the presentation of badges and awards. Leaders and Girl Scouts of Halifax were visitors at the meeting.

Songs were led by Elladeane Lee and Jane West of Troop II after which Troop III gave an interesting skit pertaining to the life of Juliet Low. Mrs. W. A. Thorne, Commissioner of Girl Scouts, presented Miss Frances Dodds, National Field Worker, who talked to the Scouts about the revised program. She also taught them a new game, which was very appropriate as the Scouts have been working in the field of Games & Sports.

Following the games, Miss Dodds, assisted by Miss Louise Brown, Lieutenant of Troop III and Miss Newsom of Troop II, awarded badges to these Scouts:
