

TO FEATURE CITIES & COUNTY

Roanoke Rapids and Halifax County Will Be Featured In A Special Number In Pictorial Rotogravure, To Be Issued In The Near Future By The Herald.

Timed to take advantage of the national advertising of the state conservation commission for North Carolina, this graphic pictorial presentation of the city and county's claim to recognition should attract widespread attention and center the interest of visitors, homeseekers and investors on the unbounded opportunities and advantages so abundantly possessed by the community. With the object of carrying out this specific mission, the edition will be given a wide circulation in the state and nation, besides a blanket distribution in the county itself. The story of the city's industrial development, together with a portrayal of Halifax's progress along all lines, as attractively set forth in this unusual special number, will probably be a revelation to the citizens residents of this section, and certainly of great interest to the people of the state and nation.

This special number will be issued in the modern tabloid size, and stitched to give it permanency. In its convenient form, attractive treatment of subject matter, and comprehensiveness, the edition will make an ideal piece of community publicity for use by the commercial and civic organizations of the county for the next several years. A large number of extra copies will be printed and supplied to the various civic and commercial bodies of the county for this specific purpose.

There will be no display advertising in this attractive edition. It will consist solely of pictures in rotogravure, showing scenic views, points of historical interest, industries, educational institutions, certain of our outstanding homes and estates, public utilities, the civic and commercial development of the progressive towns in the county, resorts, attractions and assets as it will be possible to include in a work of this broad nature.

It is the purpose of the management to make this edition countywide in scope, a presentation of Halifax County as a unit, and the progressive towns of Weldon, Scotland Neck, Enfield, Littleton, Halifax and other community centers, will be included in this work on the same basis as Roanoke Rapids.

40th Anniversary Meth. Orphanage

The Methodist Orphanage at Raleigh is celebrating its Fortieth Anniversary on July 16. We are inviting three representative laymen from each local Methodist Church in the Rocky Mount District, to be the guests of the Methodist Orphanage at a free barbecue dinner on this coming Sunday at one o'clock. Following the free barbecue dinner a most interesting program will be put on in the Orphanage auditorium by the children of the Home. Our invited guests will be shown over the campus and through the cottages by our three hundred and ten children. It is the sincere wish of Superintendent A. S. Barnes that at least the Sunday School Superintendent, the Presidents of Men's Bible Classes and the Church Lay Leader from every local Church in the Rocky Mount District will honor the Orphanage with their presence. A big time is in store for those who visit the Methodist Orphanage next Sunday.

A. S. Barnes, Superintendent.

Congressm'n John Kerr At Academy

Congressman John H. Kerr, of this District, was honored in Washington this week by the Attorney General of the United States and Mr. Hoover, Director of the Bureau of Investigation, who selected him to participate in the National Police Academy graduation exercises. In extending an invitation to Judge Kerr Mr. Hoover stated: "Your interest in the welfare and activities of the Federal Bureau of Investigation, including its work of training selected law enforcement officials so that they may go back to their own departments and give the benefit of their instruction to other members of their organizations, is greatly appreciated. I am therefore, particularly anxious for you to be present on this occasion to witness a portion of the results of our joint efforts when diplomas will be awarded to the graduates". Judge Kerr was accompanied by his Secretary, J. G. Butts, Jr., of Halifax.

The Department of Justice, for several years, has selected a group of outstanding Police officials and law enforcement officers and provides for them intensive expert training in an effort to raise the standards of the Police Departments of the Country, and to coordinate the activities of the various municipal, county and State Police. This training by the Government, made possible by the joint efforts of Judge Kerr and his colleagues on the Justice sub-Committee on Appropriations, is considered one of the most effective programs undertaken in recent years for crime prevention and the prosecution of criminals in the United States.

William Duke of Farmville spent last Tuesday in the city with friends.

Subject Sunday: "Life".

"Sacrament" was the subject of the Lesson-Sermon in all Christian Churches and Societies on Sunday, July 9, 1939.

The Golden Text was from Psalms 51:10. "Create in me a clean heart, O God; and renew a right spirit within me."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And as they were eating, Jesus took bread, and blessed it, and brake it, and gave it to the disciples, and said, Take, eat; this is my body. And he took the cup, and gave thanks, and gave it to them, saying, Drink ye all of it; For this is my blood of the new testament, which is shed for many for the remission of sins." (Matt. 26: 26-28.)

The Lesson-Sermon also included the following from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy. "The true sense is spiritually lost, if the sacrament is confined to the use of bread and wine. The disciples had eaten, yet Jesus prayed and gave them bread. This would have been foolish in a literal sense; but in its spiritual signification, it was natural and beautiful. Jesus prayed; he withdrew from the material senses to refresh his heart with brighter, with spiritual views."

IN MEMORIAM

In loving memory of our dear baby, Mildred Irene Hock, who died July 13, 1934.

You are gone but not forgotten,
Your memory lingers still,
There's a vacant place in our home
Which can never be filled.
Oh, we loved you, dear baby,
But God loved you best;
He took you home to heaven,
With the angels to rest.
We miss you in our home, dear baby,
We miss your smiling face;
Yet we know that God knew best,
We dry our tears today.
For well we know if we are faithful,
We shall meet you bye and bye.
Mr. and Mrs. J. V. Hock.
