

NURSE IS INJURED IN ACCIDENT ON JACKSON STREET

Ethel Pearson, nurse at the Roanoke Rapids Hospital, was painfully injured last Friday night in the first wreck on Jackson Street since it has been paved. Cars driven by Arthur Phelps and Mrs. W. T. Floyd were involved in the accident which took place directly in front of the Nurses' Home.

Miss Pearson, who had just gotten out of the Floyd car, was thrown from the street upon the sidewalk, sustaining painful bruises about the head and body. She was taken into the hospital in an unconscious state. Mrs. Floyd was given first aid in the hospital but was released.

Phelps was driving south on Jackson when he hit the Floyd car which was parked directly in front of the Nurses' Home. He is being held under bond pending a hearing next Monday morning in Municipal court.

COLD DRINKS FOR HOT DAYS

By Miss Virginia Blount, Home Service Director of the Virginia Electric & Power Co. Hot days demand cool drinks. Even the sight of the sparkling liquid in tall glasses, and the tinkling of the ice, are cooling. How refreshed one feels after sipping a cold beverage, and when it is made of fruit juices it is of important food value because of the vitamins and minerals contained.

The children as well as the grown-ups want cold drinks. A "Home Soda or Home Mixed Drink" can be just as much fun for everyone, and the drinks made of pure fruit juices will be what we should have. You may use fruit juices and combine them in various ways. A little lemon juice gives point to all other fruits. A tea infusion makes a good base for many punches. Ginger Ale also makes a delicious beverage, adding "zip" to a mild drink. Many refreshing drinks may be made from grape juice as foundations, plain or charged water may be used. Remember that if you should lack one or two of the ingredients in these recipes, you may omit them or substitute to your taste.

Spice Cups
Combine:
2½ c. orange juice ½ c. sugar
2 c. water 1 c. pineapple juice
To this add grated rind of 1 lemon, 1 T. of strained honey, 6

cloves, ½ t. of each grated nutmeg, cinnamon and ¼ t. allspice. Mix and let stand 3 hours. Strain and add 3 pints ginger ale. Stir briskly and serve in glasses containing a little crushed ice.

Cherry Punch
Mix:
2 c. cherry juice 1 c. sugar
Juice of 3 oranges
½ c. pineapple juice
Juice of 2 lemons.
Add 2 c. tea infusion and 1 qt. ginger ale. Then stir in ½ c. of cherries cut in quarters and one banana sliced. Served with crushed ice.

Mint Tinkle
Mix:
3 c. cold water 1 t. green coloring
½ t. peppermint flavoring
Pour mixture into freezing tray of an automatic refrigerator, put metal divider in tray for making ice cubes. Set tray into freezing unit of refrigerator and allow to freeze.

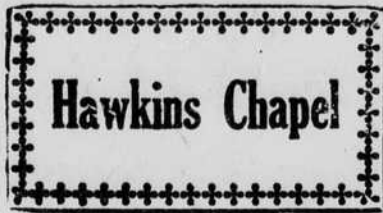

Combine:
1 c. lemon juice
¼ c. sugar
1½ c. cold water
Stir sugar and cold water till sugar dissolves.
Pour mixture into freezing tray, allow to freeze until mush-like in consistency, mash with spoon or potato masher and mix with 1 cup cold water in a pitcher. Partly fill glasses with icy lemonade mixture, add a green mint ice cube and decorate the beverage with a red maraschino cherry, a slice of lemon or a fresh mint leaf.

Good Iced Coffee For Older People Only
Make double strength coffee (twice your usual proportion of coffee to water). If ice supply is plentiful, pour hot coffee over the crushed ice in tall glasses. Fine granulated sugar and either plain or whipped cream are served with ice coffee.
