# ROSEMARY RECREATION

Softball! Tennis! Basketball! By Bill

The Romancos will play in Raleigh Saturday night at Red Diamond. The original idea was to play the Navy Yard in Portsmouth Saturday afternoon shift to Norfolk and play the strong Royal Crown Cola team Saturday night and stay over and play the Naval Training Station on Sunday afternoon. However, arrangements could not be made for the Saturday night game so it was called off until the following week. The Romancos will take on Lewis Sporting Goods on Saturday night at 7:30 p.m. and will jump back here for a tilt Sunday with the RC Cola outfit from Norfolk, Va. The time 2:30 p.m. The place Ledgerwood Park.

Saw Bill Riggins' strong Dr. Pepper outfit take on the Rosemary Bees last Wednesday at Ledgerwood Park. The Bees beat them 8-0 but it was a swell ball game. The kids really look good out there and we think Mr. Riggins has something on the ball.

The Romancos defeated the strong Norfolk Navy Yard Softball team last Saturday at Simmons Park 1-0. Lindsay Sadler's home run smash saved the day for the Romancos. Russ Deberry and "Swink" Lee pitched stellar ball for the Rosemary outfit.

Bill Jenkins and his Rosemary Bees are really looking good in the City Softball League. The Bees defeated Patterson in the first game at Ledgerwood and then cracked down on Oakley Vaughn and his No. 1 outfit last Tuesday. Sunday the Bees are on the road travelling to Henderson to play the strong Henderson All Stars.

H. B. "Ted" Speight is cooking up a nice little trip for the Romancos A and Bee squad. It seems that Murfreesboro has organized a four team Softball League and they have installed lights. The fans down that way want to see Russ Deberry and Swink Lee pitch so they have asked Ted to bring a couple of teams down for a game. Saturday a group of fans came all the way from Murfreesboro to see the game.

There will be Bingo every other Friday night at the Rosemary Recreation Club. A large crowd attended the first games last Friday night and were well pleased with the prizes. The games are in charge of Wiley Connell, Virgil McDowell and Willis Matthews. A mistake was made last week when the writeup said Bridge Tournament.

Hopewell All Stars are looking for games on a home and home basis. Any softball teams interested write Bob Ashton No. 2 Brown Apartments, Hopewell, Va.

Roanoke Rapids should be proud of their American Legion Junior team. Weldon should be equally proud of theirs, as it is a joint affair. The boys are really hustling out there under Coach Cranford Hoyle. If they do not run in a streak of hard luck I will say that a State Title is not far away. I saw my first game last Saturday and they have a real junior club out there.

SPORTORAMA. This City league race is going to turn out in a red hot race before the season is over and if the boys pick an All Star outfit from the league as they say, they are going to be rough and tuff and full of fleas. Raleigh says that they will pay the expenses of the winning club to the National Tournament in Chicago—if and when they are awarded the State Tournament—

Bon Voyage, Asheville, Charlotte, Raleigh or Greensboro, we hope that it will be interesting—Pilot with Manager Ken Guilfoyle on the mound will oppose the Greensboro Lawyers Saturday night after the Romanco-Lewis tilt.—Here's hoping the Owls will hoot over High Point—And that a certain gentleman in a brown ensemble will go to Wichita and then to Porto Rico—and on—and on.
