SHOE DEP'T

Natural Bridge Shoes span the gap between STYLE and COMFORT

Four eyelid brown or black suede tie, with patent trim and scallops and cutouts. Other Natural Bridge shoes in a large variety of colors and leathers

IN Natural Bridge shoes you don't have to choose between beauty and comfort . . . they have all the smartness of other shoes plus joyful ease . . . Graceful lines conceal a natural arch and pillow cushions that make every step de-lightful . . . styles are lovely.
