THANKS

We wish to take this means of thanking those who pledged and contributed in this, the second annual Community Chest drive for 1940 funds, and to thank the two hundred loyal workers who made this drive another success. We know those who worked and those who gave and pledged to give have the feeling of having done their share in helping those less fortunate than themselves.

HUNTERS from Roanoke Mills Co. and Patterson Mills Co. on the steps of the Queen Anne Hotel in New Bern (center). This hunt, last weekend, will long-be-remembered by the participants and the residents of New Bern. The boys had a big time and voted to repeat the pleasant trip again next year.

They wanted to see a picture of him with a gal. Here it is.
