IN MEMORIAM

In loving remembrance of my dear father, George L. Conner, who departed from this weary and troublesome world 3 years ago today, Dec. 26. Dear Father, you have been gone 3 long years. You left us with sad hearts and eyes full of tears. For there has always been a vacant chair that has not been filled and never will. So as you cannot come to us, rest and sleep and we will come to you in the promised land of peace in the sweet bye and bye. So father dear, and mother, too, we hope to come and dwell with you where no heartaches nor pain will we feel again. You are gone but not forgotten. Sleep and rest.

From your children,
Coley Conner, brothers & sisters.

THE TRUTH SIMPLY TOLD

Today's popularity of Doan's Pills, after many years of world-wide use, surely must be accepted as evidence of satisfactory use. And favorable public opinion supports that of the able physicians who test the value of Doan's under exacting laboratory conditions.

These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's Pills as a good diuretic treatment for disorder of the kidney function and for relief of the pain and worry it causes.

If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys lag, and diuretic medication would be more often employed.

Burning, scanty or too frequent urination sometimes warn of disturbed kidney function. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out.

Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!
