

BUDGET ADOPTED FOR COMMUNITY CHEST; GOAL SET

Budgets from the associated agencies of the Community Chest were adopted at a meeting of the Board of Trustees in the Municipal Building Monday night. Following the adoption of the budgets, a goal of \$13,100 was set for the 1940 drive.

President Mullen called the meeting to order and the Secretary read the minutes of the last meeting, which were approved.

The President then asked for the report of the Budget Committee. This report was read by the Secretary. A discussion of the details of the Roanoke Rapids Preventorium Budget was given by Budget Committee Chairman, F. C. Williams.

A motion was made by Dr. Long to accept the Budget Committee's report with an amendment by E. B. Manning to add fifty dollars to the Boy Scouts' appropriation. Motion was seconded by A. N. Martin and carried.

A suggestion was made by F. C. Williams, Budget Committee Chairman, that more information be given to the Budget Committee by the participating agencies in their requests for money so that the Budget Committee can intelligently pass on the requests.

A motion was made by Rev. L. I. Stell to set the goal for the 1941 Campaign for Funds at \$13,100.00. Seconded by T. J. Alford and carried.

Treasurer read a part of the auditors report for 1938-1939. A copy of the audit made is to be left in the Community Chest files with the Assistant Secretary and are to be a part of the minutes.

It was moved by F. C. Williams to adopt audit as read. Seconded by E. B. Manning and carried.

Moved by E. B. Manning to pay \$75.00 to A. T. Allen and Co., Certified Public Accountants, of N. C. for audit. Seconded by F. M. Sherry, Carried.

As there was no other business the meeting was adjourned. Those present were: J. E. Sullivan, Tom Beale, F. M. Sherry, A. Meikle, F. C. Williams, Dr. T. W. M. Long, Mrs. R. B. Barrett, Zeb Denny, E. Prepaid Tax Collection Is \$76,453.52

M. H. Mitchell, Halifax County Register of Deeds, deposited a check for \$76,453.52 to the County's account in the Bank of Halifax on October 16. The deposit was the amount of prepaid taxes received in the Register of Deeds' office between June 1 and October 12, 1940.

A house bill was passed in the state legislature in 1938 giving tax payers the privilege of paying their taxes at a 2 per cent discount before they become actually due, according to law. Approximately \$90,000 was collected in prepaid taxes last year.

The prepaid taxes are received in the office of the Register of Deeds as a part of that office's work. The tax payer received an advance payment receipt. The county tax collector, however, sends those who have paid their taxes an official receipt when he takes over the books.

Doctor Advises Exercise For Men Of Draft Age

By ROBERT YOUNG, M. D., County Health Officer

The Guards have gone, and there are still more of us to go—how many, no one really knows, but there is one thing certain—we can be prepared.

There are too many men in the draft range who are soft. Instead of walking a couple of blocks it has become customary to jump in the jalopy and ride that distance. Rather than take a little exercise it is the usual thing to go to a show, or just sit and rock.

Men between the ages of twenty-one and thirty-five who hold positions that require very little exercise should begin a routine of training. A nice long walk each day would be enough to start on. A little later add some setting-up

exercises for the first thing each morning and before going to bed at night. Then, buy an axe and chop wood for an hour or so a day.

Work in a long hike over the week-end, with a night out in the open. Gradually add a little more exercise until the shortness of breath and sickly feeling that come on after the first workouts disappear and a feeling of exhilaration takes hold.

Keep at it until the appetite is as sharp as a razor, and there is a feeling that a grizzly bear would not be too much to tackle. Then our men will be prepared.

Miss Grace Hudson of Mount Pleasant spent the week-end with her parents, Rev. and Mrs. D. A. Hudson.
