

HALIFAX ASSIGNED QUOTA OF 517 MEN FOR ARMY TRAINING

Local Board Will Send 238, Board At Enfield 279

Halifax County may be expected to furnish 517 men of the total of 34,643 soldiers from North Carolina under the original new quotas of the Selective Service Act.

The North Carolina figure was approximately 24,000 greater than the first State quota of 15,000 men. The State to date has provided approximately 12,000 of this original quota, and these will be credited in the net quota. Until a new quota is established for the State and in the nation, the Selective Service will be able to call upon North Carolina for about 22,000 more men.

It is estimated that it will require about a year to call 22,000 more Tar Heels into military service, at the present rate of induction.

Quotas for the county boards are: Halifax No. 1, Roanoke Rapids, 238; Halifax No. 2, Enfield, 279. The present established quota for the board here is 497 men, but it is allowed 259 credits which leave a next quota of 238.

Delinquents

The following men are wanted for not returning their questionnaires on time: George Harrison,

Negro, Box 172, Roanoke Rapids; Isaac Pierce, Jr., Negro, General Delivery, Weldon; Clarence Boney, white, Littleton; Thomas Benjamin, Negro, Weldon; Joseph Stephenson, Negro, Weldon; Tommy Garner, Negro, General Delivery, Roanoke Rapids; Bernard Franklin Keeter, white, 68 Washington Street, Roanoke Rapids.

Clerk McRae Faison of the local board said that unless the questionnaires are received in a "reasonable time" the men will have to be reported to draft officials and the U. S. District Attorney as delinquents. In turn, the F.B.I. will be ordered to pick up the men for prosecution by the district attorney.

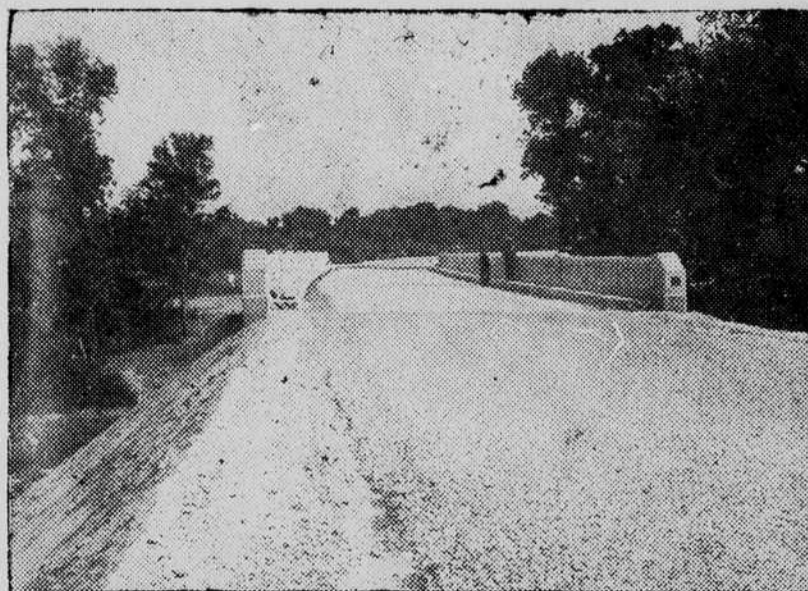

Information Hours

The local draft board has found it necessary to set aside certain hours of the day for giving out information and holding interviews with callers at the office.

Effective Monday those hours will be in the mornings from 9 until 10 o'clock, and in the afternoons from 2 until 3 o'clock. On Saturdays the hours will be from 9 o'clock until 11 o'clock in the morning.

Due to the fact that clerical work in the office is very heavy, and interruptions have been hindering it considerably, persons are requested not to visit the office for information or interviews except during the hours specified unless it is absolutely necessary.

NEW HIGHWAY BRIDGE

the direction of Rotarian McRae Faison.

Mrs. Alice Miller, Rotary "sweetheart", rendered several numbers in which members of the club joined in singing.

Faison made a few remarks on cooperation of club members with the new president and other officers who take office on the night of July 1.

Freddie Bounds of the Weldon Rotary Club was a visitor, and President Will P. Taylor of the local club presided over the meeting and has charge of the program for next week which will be the last under his regime.

Woman Hurt As Struck By Plow

Miss Ruth Norwood of Garysburg was slightly injured last Saturday morning when a horse being plowed became frightened and wheeled around to cause her to be struck.

The implement struck Miss Norwood on the thigh, and cut it. The wound was treated at the local hospital and she was allowed to return to her home.
