

The Romancos will play DuPont softball team of Richmond, Va. here on Friday night beginning at 8:15 p.m. Ledgerwood Park. The clash with the Portsmouth Boosters visitors are in second place in the fast Capital City League and will feature "Lefty" Harlow, the only left-handed "windmill" in the South. He has pitched two wins this season over Rowletts, the league leaders, who were defeated here last Saturday night 3-2-4-0.

Saturday night the Romancos will clash with the Portsmouth Boosters of Portsmouth, Va. The visitors are reputed to have a fast ball club that holds victories over the Navy Yard and R. C. Cola, both the strongest clubs in Norfolk. Game time will be 8 p.m. sharp.

Y.B.M.C. did not live up to expectations last Saturday night and as a result went down swinging, 17-0 and 7-0. George Nethercutt, local boy, did not play due to a business trip to Wilmington; however, Jack Vincent played and got a couple of nice base knocks.

To Mr. and Mrs. Phil Phan City.

Dear Mr and Mrs. Softball Phan: Don't ride the Romancos when a visiting team fails to live up to expectations, as the affair Saturday night. I book all the games so take it out on me. The team has nothing to do with who they play—and frankly they'd rather play a good team than a sorry one. You can't book a perfect ball club every week, but when they are rotten, ride me. Don't ride the team, because it's me who's to blame.—I can take it.

Sincerely yours!  
Bill.

When Y. B. M. C. was booked they had a two-game lead in the City League in Raleigh. They lost the first half title by one game to Johnson Coal. The absence of George Nethercutt was unfortunate. Due to business reasons he had to be in Wilmington, N. C. over the week-end. George has a job to take care of—so business before pleasure!

Our remarks last week in regard to the girls playing Henderson was made entirely in a spirit of fun. We know from past experience that it is hard to book games for a girls team, due to the fact that there are not many close around. Please accept my apologies!

Jacob-Levy of Richmond, Va. will play here on the Fourth of July in a special holiday double-header. The visitors are in the Capital City League with Rowletts, Army and Navy—Pinnells, DuPont. Frank Muck, speedball ace, will pitch for the visitors. The games will begin at 8 p.m.

The regular Saturday night square dance will be held as usual at the Recreation Club at 1100 Franklin St. Dancing will begin at 8 p.m. and continue until midnight. Music will be by the "Carolina Troubadours"—figure calling by Marvin House. House Committee, Collins, Pridgen and Eugene Blowe. Admission, ladies fifteen cents, gentlemen thirty-five cents.

Hurley "Two Ton Tony" Midgett is in the Army Air Corps and is now stationed at the U. S. Army Air Field, Fresno, California. Midgett was a member of the Romanco softball team for three years, and was a battery mate of Swink Lee. Got a card from him last week in which he stated the climate was fine. Good luck, Tony!

Pickups N' Putouts: Frank Kemp is making a swell secretary for the City Softball League—Rocky Mount has joined

the A.S.A. with a six-team league—Romancos will play Texaco of Norfolk here on July 12th—they are rated tops in that section—2nd Lt. Jack Downing called to the service June 30th Army Air Field, Baton Rouge, La.—Rosemary will miss Jack! Red Carver, who is batting over .400 for the Romancos, will report at Fort Bragg July 8th. "Do I worry?" You know darn well I do!—Maxine Mason, former All State first baseman for Romanco Girls now playing for Raleigh—

### Acknowledge Aid Of Local Citizens To Great Britain

The British War Relief Society Inc., of the United States of America acknowledges in a letter from a representative in Great Britain—Bertram Cruger, 51 Berkeley Square, London, W. 1—aid from this city in a letter to Mrs. R. P. Beckwith.

The letter received by the local woman is as follows: Mrs. R. P. Beckwith  
The British War Relief Society Inc.,  
Roanoke Rapids, N. C.  
Dear Mrs. Beckwith,

As Representative of the British War Relief Society here in London, I feel that I must write you, and through you all your helpers, how deeply and sincerely grateful are the people to whom these gifts from America have come. It has often been difficult for them to obtain the names of the donors or donors committees to whom they wish to write letters of thanks and for that reason it is possible that you may not have had direct testimony from the beneficiaries themselves of their thankfulness as often expressed to us here for these things which they so badly need. Scores of letters pass over my desk weekly and are sent donors, but we feel that sometimes they go astray.

I am suggesting to the British War Relief Society Main Office in New York that a system be adopted making it possible for these recipients to express their gratitude to the proper people. Certain suggestions have been made and in due course of time you will probably receive a request to so inscribe your consignments that English people here may send their thanks direct to you.

Until that happens, please allow me on their behalf as well as my own, to give you definite assurance that not only have these gifts been the direct answer to thousands of cases of real need and suffering, but that much has been done by your work and that of other Committees of the British War Relief Society working throughout the country, to cement that feeling of friendship and mutual co-operation which is so necessary for the future of all English speaking people.

Very sincerely yours,  
Bertram Cruger  
(Representative in Great Britain)

At the conclusion of the program refreshments were served.

### Tonsil Clinic Jackson School To Be On July 1

Dr. W. R. Parker, director of the Northampton County health department, announced today that a tonsil clinic for white children will be held at the Jackson school building on Tuesday, July 1.

Definite decision to hold the clinic at Jackson was made after enough applications had been received from parents who desired to have their children operated on to justify scheduling the clinic, the health officer said.

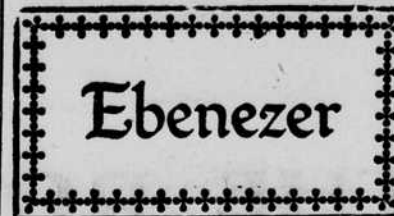

All appointments for the clinic should be made in advance through the office of the health department, and a small fee will be charged for each operation. Surgeons from the Edgecombe County General Hospital at Tarboro will perform the operations.
