Lions Give Kids Picnic At Preventorium

The local Lions Club gave a picnic and weiner roast for boys and girls at the Preventorium yesterday afternoon about 5 o'clock.

Around 24 children at the place were entertained by the Lions through the club's Boys and Girls Committee. Lions present were Tommy Adams, chairman of the committee, and Robert Howell, Murrell Hudson, and Chester Chase, committee members.

After the picnic there was a baseball game, in which the Lions present took part with the children.

Weight of the children at the Preventorium is one of the things they and the sponsors of the camp are most vitally interested in, and almost after eating each hot-dog the children would run inside and weigh to see how much poundage they had gained.
