

# DRAFT BOARD NO. 2 ASSIGNS ORDER NUMBERS

## 171 Registered For Draft In Lower Halifax

Halifax County Draft Board No. 2 at Enfield has completed assigning order numbers for 171 young men registered in the second Selective Service Act registration for those who reached the age of 21 since the first registration last October.

Numbers drawn in the second lottery at Washington, D. C., have been matched up with the serial numbers of the registrants, and the boys will not wait their turn until after all of those in the first registration have been called but their names will be distributed among the names of those remaining to be called from the first registration.

Since only 171 youths were in the draft board territory, some of them have higher numbers than 171, but they are shown in the order in which called, and in this order, they will be inserted into the remainder of the first registration and called. The lowest number shown below will be the first called, and the highest number will be the last drafted.

Order number, name, address given on registration card and race of those registering are:
