

SAFETY COURSE TO BE GIVEN DRIVERS FOR SCHOOL BUSES

School Will Be Held At Halifax August 26-27-28

The Highway Safty Division, in conjunction with the Highway Safety Patrol, has arranged to conduct a safety course for all school bus drivers in Halifax County on Tuesday, Wednesday and Thursday, August 26-27-28.

Superintendent V. C. Matthews, of Halifax County schools said that all applicants for jobs as school bus drivers will be notified to attend in groups. There were 48 drivers, 33 white and 15 Negro, in the county last year, and about 70 persons are being considered as drivers for the coming year.

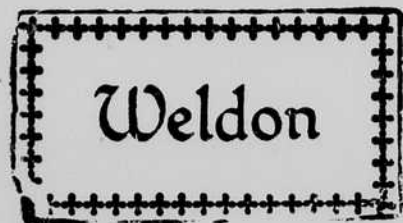

All are being notified to attend in groups of about one-third the total number each day, with the Negro applicants all reporting on the last day—August 28.

Only white drivers going to Aurelian Springs, Hollister, William R. Davie, and Weldon will report the first day, Tuesday morning, August 26. Drivers of buses that go to Enfield, Hardrawee, Scotland Neck and Hobgood will report on Wednesday morning, August 27.

Supt. Matthews said all substitute drivers are expected to attend the safety school, and letters are being sent out to all white prospective drivers telling them when to report.

Anyone notified to attend the safety school is not assured of a job driving the buses, however, Supt. Matthews said. The classes are to determine if the applicants for the jobs can qualify as school bus drivers and the final selection will be made by the Highway Patrolmen and the county mechanic. Everyone who has asked to be considered as a driver should report, the county school official stated.

Classroom work will begin at 7:30 o'clock in the morning, and continue all day. The instructions will be given in the Halifax School building, and some demonstration work at the shop.

FESTIVAL BREAKS RECORD

The Lions Club's fifth annual Mid-Summer Festival here last week broke all previous records for attendance and receipts, according to preliminary reports, and officials of the civic organization expressed themselves as well pleased with the event.

Miss Reba White, of Pleasant Hill was the winner of the \$500 grand prize which was presented Saturday night after the shows and rides had been closed for the final night of the week's festival.

The prize was awarded by H. B. "Ted" Speight, who also presented winners with \$25 nightly prizes during the week.

Crowned as "Queen of the Festival" was Mamie Little Cooper, who was sponsored as "Madam X" during the advance ticket sale contest by the Dr. Pepper Bottling Company of this city.

Julian R. Allsbrook, a member of the House of Representatives during the past North Carolina General Assembly, crowed the queen amidst the splendor of her court which was comprised of other young ladies selling tickets to the festival for the club.

In addition to being crowned Queen, she was also presented \$50

Subject Sunday, "Soul".
"SPIRIT" was the subject of the Lesson-Sermon in all Christian Science Churches and Societies on Sunday, August 10.

The Golden Text was from Ephesians 5:9. "The fruit of the Spirit is in all goodness and righteousness and truth."

Among the citations which comprised the Lesson-Sermon were the following from the Bible: "And it shall come to pass afterward, that I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions: And also upon the servants and upon the handmaids in those days will I pour out my spirit" (Joel 3: 28, 29).

THE TRUTH SIMPLY TOLD
Today's popularity of Doan's Pills, after many years of world-wide use, surely must be accepted as evidence of satisfactory use. And favorable public opinion supports that of the able physicians who test the value of Doan's under exacting laboratory conditions. These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's Pills as a good diuretic treatment for disorder of the kidney function and for relief of the pain and worry it causes. If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys lag, and diuretic medication would be more often employed. Burning, scanty or too frequent urination sometimes warn of disturbed kidney function. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out. Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!
