Announce Merit Examinations For Clerical Workers

Announcement of merit examinations for clerical positions in all agencies under the Merit System Rule has been made today by Frank T. de Vyver, Supervisor of Merit Examinations. Notification of the coming examinations has gone forth to some 6,000 employees of the agencies, persons who have already indicated their interest in taking the examinations, and to newspapers, courthouses, post offices, radio stations, business schools, libraries, professional and labor organizations, and employment bureaus all over the state.

The series of examinations will be given for the following clerical positions: Junior General Clerk, Senior General Clerk, Principal General Clerk, Typist Clerk, Junior Stenographer Clerk, Senior Stenographer Clerk, Junior Stenotypist, Senior Stenotypist, Senior File Clerk, Principal File Clerk, Junior Calculating Machine Operator, Senior Calculating Machine Operator, Junior Graphotype Operator, Junior Addressograph Operator, Senior Addressograph Operator, Junior Bookkeeping Machine Operator, Senior Bookkeeping Machine Operator, Junior Key Punch Operator, Senior Key Punch Operator, Junior Tabulating Machine Operator, and Senior Tabulating Machine Operator. Qualifying examinations are compulsory for all clerical workers in the following agencies: The State Board of Health, the Local Health Units, the State Board of Health, the Local Health Units, the State Board of Charities and Public Welfare, the County County Welfare Departments, and the State Commission for the Blind. All employees of the Unemployment Compensation Commission, including the State Employment Service, who have received their jobs on a provisional basis since the examinations in 1939 and who have not been certified because of exhausted registers will be obliged to take the examinations. When this new series of examinations are given, all existing registers for these positions are discarded. Any person wishing to remain on a register must, therefore, take the new series of examinations.

Any other person interested in taking one or more of these examinations may write to the Merit System Supervisor, Frank T. de Vyver, Box 2328, Durham, North Carolina, and secure application blanks and a bulletin containing the minimum qualifications for the positions. All applications must be returned to the Supervisor's office by midnight of September 15. There all applications will be carefully considered in view of the minimum qualifications and each applicant will be informed of his eligibility to take the examinations.

The first series of merit examinations given in North Carolina covered only the employees of the Unemployment Compensation Commission. Four thousand six hundred and ninety seven persons were found to have the minimum qualifications and took 11,877 examinations for clerical positions. For the present series it is estimated that some 12,500 applications will be made and that some 10,000 of these will be accepted. Examinations will be compulsory for the 500 employees of the several agencies.

When registers have been prepared from examinations herein announced, the old registers will be discarded. All those now on the registers who wish to be on the new registers must, therefore, take the new examinations.

ASSISTS

The Rev. Paul H. Fields, pastor of the Rosemary Methodist Church, is assisting this week at the annual revival services at the Concord Methodist Church, near Seaboard. The Rev. J. Bascom Hurley is pastor of the church, and the revival opened last Sunday night.

Northampton Health Budget Is \$26,787.97

Dr. W. R. Parker, director of the Northampton County Department of Health, has announced that the budget for the current fiscal year, June 30, 1941, to June 30, 1942, calls for expenditure of \$26,787.97.

Northampton will appropriate \$8,879.57, or slightly less than one-third, of the total amount. The Children's Bureau of the United States Department of Public Health, which is sponsoring a maternity and infancy project in the county, will contribute \$11,180 to pay the salaries of special nurses and equipment and medical supplies. The federal government and the State will also appropriate \$3,460.40 for control and elimination of venereal disease. United States Public Health funds will contribute \$2,200 for general health policies and the State will contribute \$1,068.

Last year the county appropriated \$9,415 in the general budget for the department and fixed a tax rate of 10 cents for public health.

Relief Rolls In Northampton Lowest In Years

Northampton County relief rolls are lower than at any time in several years, it was revealed today, and applications for work under WPA are becoming less each day. Only 160 people are now working on WPA projects in the county, and they are employed on road building and improvement projects, school grounds and buildings, and the Seaboard water and sewer project.

However a pick up in applications for WPA jobs is expected as soon as winter begins, and those who are now working in defense projects are discharged because of completion of the work.

Sale of Land for Taxes

I will on Monday, September 8th, 1941, in front of the courthouse door in Halifax, sell to the highest bidder for cash, the following real estate to satisfy taxes on said land for the year 1940.

A. E. AKERS, Tax Collector
