

# LOCAL GRID TEAM PLAYS LITTLETON IN SEASON OPENER

## Schedule Of Yellow Jax Is Announced

Coach J. C. Hoyle, who has been busy the past couple of weeks, whipping something like a fair football team out of green material, announced today that the Yellow Jackets will play at Littleton on Friday afternoon, Sept. 26, in the opening game for the locals.

Although a large number of candidates reported for practice and have been getting into shape for the opening game, Coach Hoyle only has a few experienced players to build a team around. Around forty men have been trying for places on the varsity eleven, and twenty-five or thirty more have been working out on the junior squad.

Coach Hoyle said today that the squad is shaping up nicely, and he hopes the Jax will make a good showing against strong teams to be played on a tough schedule. Four of the eight games scheduled will be played here.

The schedule, complete except for three open dates on October 24, November 11, and November 28, is as follows:

Sept. 26, Littleton, at Littleton; October 3, Weldon, at Roanoke Rapids; October 10, Elizabeth City, at Elizabeth City; October 17, Henderson, at Roanoke Rapids; October 31, Goldsboro, at Roanoke Rapids; November 7, Kinston, at Kinston; November 14, Greenville, at Roanoke Rapids; November 19, Washington, at Roanoke Rapids.
