

Patterson Recreation

By MARGARET BUTLER

This past Saturday night crowd of Bingo fans was bigger than "ever" before. Once you ever play you will be back to play again.

Last Saturday night the special prizes were as follows:

Ladies special, Selma Garris; Mens special, "Doodle Bug" Hedgepeth; Grand prize, Lucille Searcey.

There were also two very special prizes given away Saturday night to two very lucky people. One was a thirty-two piece dinner set that was won by Miss Hazel Cannon. The other special prize was a very pretty ham, compliments of the Pender market, and it was won by Alvin Lattimore. Alvin said that all that meat would help him to put on weight and maybe he would have more speed on his rise ball this year.

Remember, everyone, Bingo is played every Saturday night at the Patterson Recreation Club. Come out and win yourself a prize.

Last Thursday night ended the set-back tournament at the Patterson club. It really was a terrific battle between these smart and expert players but someone finally had to win. The champs from Patterson were the one and only ones, Tom Glasgoe and Allie Duncan. Congratulations to both you boys. You will both receive a very nice prize.

Some time this week a team of setback players will go over to Rosemary Recreation Club and challenge Frank Everett's team of players. This will give us a chance to see who is the best. "Good luck, fellows".

This is really nice weather for the softball players to be getting a little road work, and that's exactly what these "Patterson Pirates" are doing. Several of the boys are getting their pitching arms in shape along with the very promising young Lattimore that will be even better this year than ever before. Lattimore says that he has just begun to get the hang of that old apple and his rise ball is the real McCoy. Patterson is going to try to have the best team that's possible this year and I think they will. They will, "Pop" Brank says, even if "T" have to play. Howard Wood said before he would see the dear old Pirates lose, that he would play in Roy Blythe's place on first base. Boy! How can we lose?

Curt Gore says that if "Bab" Ryals goes out with the Romanco team that he will go out with Patterson players, just to play against him. Curt said that Bab couldn't hit nothing but the bench and that he would be on the opposite side in the same place. At least I can coach bases, said old Curt, a one time professional outer. Even if he doesn't play, he sure can talk a good game. That really counts too, Curt.

The City Ping Pong Tournament was finally over last week with the Rosemary Recreation Club taking the honor of being City champs. Chester "Chippy" Simms really did a fine job of coaching his team to the finish and winning out over all the others. Looks as if the Romancos are best in most everything that they go at. "Even Romance", says one of the players, "Pig" Riggans. Quite true, my lad, quite true.

The Patterson boys were really in the tournament all the way, and they can say that they were there all the way even tho they were not the winners. It wasn't bad at all tho, because Patterson came out with only seventy losing games out of two hundred and sixteen games that were played in all. I think that put Patterson the runners-up of the city tournament.

Floyd Speight, another ex-Pirate softball player for Patterson, left Tuesday to go back to South Carolina where he is now stationed in the United States Coast Guard. Floyd had been at home with his friends and family for a ten-day furlough and it was very nice, he said, seeing all his friends at the

club and being with the old gang once more. It was a real treat and he wants all his friends to write to him.

It was nice to see you again, Floyd, and all boys were glad to see you back in their circle for the time you were home. We hope to see you again, soon.

The blackout was carried out very good Sunday night in this section of the town. So far we have had no complaints. Let's everyone continue to cooperate and the results will be much better. Everyone has a task to do and it must be done quickly. THERE'S NO TIME TO LOSE... THERE'S JUST TIME TO WIN.
