COUNTY CAGE TOURNAMENT FINALS SLATED FOR ENFIELD FRIDAY

Decide To Hold Meet As Planned

Aurelian Springs boys basketball team will meet the Scotland Neck boys in the finals of the Halifax County high school basketball tournament on Friday night in the Enfield high school gymnasium, it was learned today. In the girls division, Littleton girls will meet the Scotland Neck girls for the championship.

In the semi finals held Wednesday night at Scotland Neck, the two host teams advanced to the finals when the Scotland Neck girls trounced the Aurelian Springs girls and the Scotland Neck boys trounced Littleton.

The tournament started in Littleton on Monday night. In the opening round Aurelian Springs boys and girls teams eliminated William R. Davie teams by winning handily. In the night session Littleton boys and girls eliminated the Enfield boys and girls teams, leaving Aurelian Springs and Littleton to battle it out in the semi-finals Wednesday night.

The Aurelian Springs boys, although winners in the first round of the tourney, will go into the finals by virtue of their being on the top in the county league standings during the regular playing season. Littleton girls ad-

vanced to the finals by the same method, although victorious over Enfield.

It was decided to hold the tournament despite some talk of the affair being cancelled on account of transportation difficulties. Thus far the tournament has been a success and the finals on Friday night are expected to draw a large crowd.
