Have fun over the holiday—but don't let anything rob your complexion of its rightful radiance! Wind and water will do it, if you don't take care—so will the sun. The best way to safeguard against "holiday skin" is to make certain you're maintaining the oil balance so essential to natural loveliness. That's why we urge you to be sure your cosmetic bag or shelves contain Botany Lanolin Beauty Aids—the creams, lotion and soap so rich with precious lanolin oils—the simple, natural means to a smooth, soft skin.
