

AWARD GARDEN PRIZES

\$405.00 IS AWARDED WORKERS IN MILLS IN ANNUAL CONTEST

F. C. Williams Announces The Year's Winners

Announcement is made this week of the winners in the annual Garden Contest sponsored by F. C. Williams, Vice-President and General Manager of Roanoke and Patterson Mills Companies, and recipients of the various awards totaling more than \$400 will be made within the next few days.

As usual interest ran high in the annual contests in the three mill villages this year as residents of the villages exerted themselves to improve the general appearance of their yards, flower and vegetable gardens. Judges reported a decided improvement in the number and sizes of the gardens, due to interest having been stimulated in the Victory Garden program earlier in the Spring.

Awarding of cash prizes for winners in the flower and vegetable garden contests and in the general improvement of yards and premises was started here more than six years ago by Mr. Williams and has since drawn a record number of entries each year. More people participated in the vegetable garden phase of the contest this year than ever before, Mr. Williams reported.

A total of \$405 in cash awards is being distributed among 63 employees of the mills by Mr. Williams. The same amount of money was awarded last year, and was distributed among the same number of employees. This year the award schedule was revised so as to constitute 63 prizes, divided as follows: a first prize of \$15.00; second \$10.00, third prize \$6.00; fourth prize, \$5.00, fifth prize \$4.00, sixth prize \$3.00, and seventh prize \$2.00, in each of three classifications, for flowers, general appearance and vegetable gardens. John Carras Is Speaker Here At Rotary Meeting

Members of the Roanoke Rapids Rotary Club, meeting in John Carras' Blue Room in Rosemary Cafe on Tuesday, heard the well-known local restaurant proprietor tell of some of his experiences in his native Greece, which he left as a lad of 16, and of some of his trials and struggles in a new land as an immigrant lad.

Mr. Carras related to the club members that his father borrowed money from a "land shark" with which to send his son to America, and that he, himself, worked for \$2 per week here in America and sent part of his earnings home to help pay back the loan.

His story of his experiences in the old country and in America caught the interests of the club members.

President L. G. Harrison read a letter from Chairman F. C. Williams, in which the USO chairman thanked the members of the Rotary Club for their contributions to the USO campaign here recently.
