The Engineers collected four hits off Gums, No. 1 hurler, while Hammersmith limited the losers to two safeties. The Engineers scored their lone run in the first stanza.

Both teams scored in the fourth but the Redmen gained the winning margin when they tallied a lone marker in the seventh stanza.

**Corsairs Extend Streak; Trounce Rivermen, 15-1**

"Pop" Brank's rampaging Patterson Pirates trounced the Roanoke No. 1 Riversiders Tuesday night at Roanoke Park thereby extending a long winning streak which includes victories over both Halifax and the Romancos. The Corsairs jumped on "King Carl" Ray for fifteen markers while Alvin Lattimore limited the Rivermen to one lone tally. Carl Ray was on the slab for No. 1 while Troy Allen was his receiver. Lattimore and Moore worked for the Bucs.

**Wheeler Leads Buccos At Bat With .407 Avg.**

Grady Wheeler, crack third-baseman, is now leading the Patterson Pirates at bat with a hefty average of .407. Grady, a graduate of N. C. State College, was a unanimous choice to play third base on the City League All-Star team last week. The second man in the slugging department for Patterson is Hugh Bugg, first-baseman, who has a potent .370 average. The third highest batter for the Buccos is Leonard Hockaday, left-fielder, who is hitting .334. This excellent stickwork by the Bucs is one reason for their recent long winning streak.

**Romancos Defeat Red Raiders, 7-0**

The Romancos of Rosemary Manufacturing Co. downed the Roanoke No. 2 Red Raiders by the score of 7 to 0 Monday night at Roanoke No. 2 Park. Russ DeBerry limited the Redmen to two safeties as his mates collected seven off Knox Rogers. Stacia with two for three and Ronald Everette with a triple and a single for three trips to the plate led the Romanco attack. Hux and Clary got No. 2's only hits.

Batteries for the Romancos were Russ DeBerry and Ronald Everette. The batteries for Roanoke No. 2 were Knox Rogers and Carl Jernigan.
