# LETTERS

Charlotte, N. C.  
 December 22, 1942

Dear Mr. Wilson:

As the United States Treasury campaign to raise Nine Billion dollars in December through the volunteer services of Victory Fund draws to a successful close we thank you for the part you have had in making this campaign effective in your community through news coverage and promotion.

The Victory Fund Program has, of course, just begun — so long as we have a war to fight and to finance it must continue. It is apparent to all of us that in succeeding drives the need for bringing all guns to bear will be increasingly acute.

The Season's Greetings,  
 Sincerely yours,  
 John Paul Lucas, Jr.  
 Director of Information  
 Carolinas Victory Fund  
 Committees.

Restriction of the production of safety razors, razor blades and straight razors will save upwards of 800 tons of high-grade steel.
