leave your tires on the pavement!

When wheels are out-of-line—your tires suffer. Wheels that wobble and shimmy grind away rubber. These and other misaligned conditions eat the tread away. Thus every mile you drive, small particles of rubber are left behind on the pavement. You can save your tires — get more mileage and save money by having your wheel alignment inspected at our shop on genuine Bear Wheel Alignment Equipment. This service not only saves you money but offers greater comfort, easy steering and safety, too. Drive in today.
