READ THIS RECORD OF THE RED CROSS SINCE PEARL HARBOR

FOR THE ARMED FORCES — More than one million and a half service men have received, through the Field Staff, practical help in personal problems. The Red Cross is with them in training and at the front. For morale and recreation, over one hundred Red Cross Clubs have been established for overseas troops. There are more than five thousand workers in the field.

CIVILIAN RELIEF — About sixty million dollars in war relief has been administered in every allied country. Food, clothing, medicinal supplies have gone to Great Britain, Russia, China, Africa for Polish and Greek refugees, and many others.

Thousands of packages to prisoners of war have been safely delivered through cooperation with the International Red Cross in Switzerland.

THE HOME FRONT — Training our people to meet the needs of war. Millions of First Aid Courses. Hundreds of thousands trained in Home Nursing and Nutrition Courses.

Thousands enlisted as Nurses' Aides and in Motor and Canteen and Staff Assistant Corps.

More than one million and a half blood donations through Red Cross collection centers and the distribution of the life saving Plasma wherever needed.

Chapter Production rooms from coast to coast providing surgical dressings for the wounded, kit bags for the fighters and tons of clothing for relief.

The Red Cross record in this war is one that we Americans may well be proud of — and support.

A PEOPLES' PARTNERSHIP —

Bringing relief in allied countries, working with our armed forces wherever they are, the Red Cross gives everyone an opportunity to serve.

In this second year of War, the needs increase. March is the War Fund month. You can help with time and money.

Enlist with your Chapter for the work that lies ahead.
