## Play Day on Saturday:

If Saturday, May 1st is as pretty day as Saturday April 24th, Girl Scout Troops should have a most enjoyable day! Troops have been busily engaged in cleaning off sites in the vicinity of the Hut for several weeks in preparation for the occasion. The city truck drivers have been most cooperative in removing trash which scouts pile up. We also appreciate the use of property for our activities. Following is a schedule of the day:

10 a. m., assembly of all troops at the Scout Hut. (Troops receive 10 points for punctuality.) This is your chance to "cash in" a few points.

10:30 a. m., Scouts report to cook-out sites and make preparation for the day, - setting up the sites to best advantage, practicing necessary techniques, and caring for troop business.

12:30 p. m., lunch. All troops will want to work by schedule in order to make the most of the day.

2:30 p. m. - 4:30 p. m., Contest, plays softball. Intermediate troops will play at 2:30; Senior troops at 3:30.

5:00 p. m., flag ceremony followed by badges and wards.

## Visitors from Rocky Mount

### Expected:

Miss Emily White, Executive Secretary of Rocky Mount Girl Scouts is expected to be with us. Miss White will bring several Senior Scouts and perhaps one or two leaders. Rocky Mount is just beginning a program for Senior Scouts as was explained when Miss White and Mrs. Guy Barnes of the G. S. Council, visited the Girl Scouts office here last week. Senior Service Scouts to help with Brownie and Intermediate Troops. Several Scouts plan to assist leaders of several of the troops with the activities on Saturday. Scouts are planning to meet with troops during meetings this week wherever possible.

Troop 3 recently held a Membership Party at which time contributions to the Juliette Low Memorial Fund were presented. Each Scout made her contribution in accord with the number of years she has been Scouting.

As the majority of the 22 Scouts of the troop are eligible for Senior Scouting, the troop was registered as a Senior troop with one Intermediate Patrol. This makes the third Senior Troop in Roanoke Rapids.

New Publications in the Girl Scout

## Office

"The Camping Magazine," "Victory Gardens," - How Brownie Scouts, Girl Scouts, and Senior Scouts can help insure home food supply. "Nature Activities"-Week by week throughout the year. "Farm Aides" - A guide for group leaders. These publications along with many others in the office will prove helpful to leaders, troop committee members, council members, and to scouts. Use them and know the Girl Scout program, that is the best way to make use of it in Roanoke Rapids.

## When Ordering Equipments

Equipment can be ordered thru the troop leader or the office. If, however, parents order from Thalhimer, Richmond, Va., address the correspondence "Attention: Miss Ida Saunders, Girl Scout Nook.
