

## TROPHY WON BY LIONS AT CONVENTION

### Is Awarded City Club For Most and Best Activities

The Roanoke Rapids Lions Club won one of the highest honor trophies to be presented at the 21st Annual Convention of North Carolina Lions Clubs, held in Winston-Salem on June 27th and 28th, when they were presented with a trophy naming them as maintaining the "Most and Best Activities," of all of the clubs with which they completed. The city club was in competition with the Raleigh club, and many other Lions club organizations in larger towns of the state.

Dot Bennett, president of the local civic club, and Bill Batton, past secretary, were delegates from the city club. They were presented the trophy at the convention, and brought it home with them, where it is now on display at club headquarters.

The Lions convention this year was "stream-lined," in keeping with the general trend throughout the country to cut down on convention "frills" and hold sessions to strictly business. Many of the usual entertainment features of the stat convention were eliminated for the Twin City meet. The annual District Governors Banquet and Ball, held on June 28, as the final of the convention, was the only event scheduled outside of "strictly business".

Charles J. Stevenson, director of Lions International, of Cambridge, N. Y., was the banquet speaker. The meeting opened Sunday, June 27, with a memorial service at the First Baptist Church. Tribute to departed Lions was paid by Rev. Ken Goodson, of Greensboro.

North Carolina is known as a "multiple district" of Lions International. District governors are: Wesley W. Brown, of Asheville, of District 31-A; John A. Naylor, of Winston-Salem, of District 31-B; and T. S. Payne, of Washington, of District 31-C, in which district the city club is located.

## ABLE TO MAKE BIG CROP HE THANKS RETONGA

Could Hardly Feed His Stock And Was Worried Half Sick, States Well Known Randleman Citizen. Can Plow All Day Now.

Literally thousands of well known farmers and their wives have gratefully and strongly endorsed Retonga for relieving them from debilitating symptoms due to insufficient flow of digestive juices in the stomach, the toxic wastes of constipation, and need of Vitamin B-1 for digestion, nerves, and strength. For instance, Mr. Henry G. Dodson, well known farm owner of Route 1, Randleman, N. C., gratefully declares:

"I suffered so much distress from nervous indigestion and gas in my stomach that I didn't care whether I ate or not for my food just caused trouble. I felt so undernourished and weak I could hardly make it to the barn to feed my stock and I was worried half sick for fear I couldn't get in my crop. I had to take strong purgatives, and when I sat down

### Smart Shorties

Cotton gloves are fashion news, and these smart shorties styled by Daniel Hayes are of durable mercerized cotton yarns, accented by navy blue. Cool, comfortable and serviceable, they too as easily as your handkerchief.

### Miss Agnes McGee Buried In Weldon

Miss Agnes McGee died at a Richmond convalescent home Wednesday morning of last week after a lengthy illness.

Funeral services were conducted from the home of Mrs. William Wallace, in Weldon, Thursday afternoon, with Rev. E. D. Weathers, pastor of the Methodist Church, officiating. Burial followed in Cedarwood Cemetery.

Miss McGee was born in Weldon and had lived there until a few months ago when she entered the home in Richmond. She was a member of the Weldon Methodist Church and the Mary Pierce Johnson Missionary Society until her health failed.

Surviving are one half-sister, Mrs. A. B. Uzzelle of Raleigh, and several nieces, among them Mrs. Charles Elmore of Richmond, with whom she spent much time.

### Enters Training

Thos. C. Helms, son of Mr. and Mrs. I. L. Helms, of Scotland Neck, left a few days ago for Hoboken, N. J., to enter Stevens Technical Institute as a Naval Reserve student under the V-12 program of the U. S. Navy. He is a graduate of the local high school and attended Louisburg College.

MR. HENRY G. DODSON

I felt like I just couldn't pull myself out of my chair again. "Retonga was a godsend to me. Almost before I realized it I began to eat again, and everything seemed to agree with me and give me strength. I can plow all day now and I have a good crop of tobacco and corn. I feel better than in a long time, and I give Retonga full credit."

Such grateful evidence speaks for itself. Retonga may be obtained at Rosemary Drug Co.—The Rexall Store (Adv.)

### Lawrence Myrick Gets Diploma As 'Plane Mechanic

News has been received by his parents here that Pfc. Lawrence W. Myrick, son of Mr. and Mrs. E. R. Myrick, 226 Washington Street, has satisfactorily completed the course for airplane mechanics, as prescribed by the Army Air Forces Training Command and was issued his diploma on June 29th by Major General J. E. Channing, commander at Sheppard Field, Texas.

Young Myrick has 672 hours of training, and made a score of an average of better than eighty-percent on all subjects covered. He is a former employee of Roanoke Mills Co. No. 2 mill in the city.

### Pig Production Increase In State

Raleigh, N. C., July 8—North Carolina sows farrowed 970,000 pigs from December to June of this year as compared with 628,000 for the 10-year average for this period, J. J. Morgan, State Department of Agriculture statistician, reported recently. This is a 19 per cent increase over 1942. The number of sows farrowing last year was 29 per cent larger than in 1941 and the number this year is 21 per cent over the June-to-December figure for 1942.

Morgan said that indications point to a 27 per cent increase in the number of pigs this fall over that of last fall, and 75 per cent more than the 10-year average.

### Institute Gives Aid To City And County Officials

The officials of this and neighboring counties and towns, it was learned at the court house and city hall today, have recently received several invaluable aids to them in their work from the Institute of Government as part of their membership in this organization of officials.

Among the most recent releases were a 1943 Calendar of Officials' Duties, a 1943 Calendar of Schedule B License Taxes, a 30,000-word summary of the new laws passed by the 1943 General Assembly, and a chart and explanation of the new Federal withholding tax, which just went into effect July 1.

The calendar outlines the principal duties required by statute to be performed on definite dates, according to Albert Coates, who is director of the organization. It does not include certain duties where the exact time for performance is not specified by statute. Among the county officials whose duties are covered are the commissioners, sheriff, tax collector, accountant, clerk of court, register of deeds, A. B. C. Board, Board of Education, tax supervisor, list takers and assessors, Welfare Board, election boards and registrars, school officials, and registrars of vital statistics.

The name "Limey" for the British came from the fact that sailors carried limes with them on long voyages to prevent scurvy. Citrus fruits provide necessary Vitamin C.
