Christian Science Society

Sunday Services, 11 a. m.
 Wednesday, 8 p. m.

Reading Room open every Tuesday and Friday, from 3 to 5 p. m. The public is cordially invited to attend our services and visit our Reading Room.

Subject Sunday: "Christian Science."

"Is The Universe, Including Man, Evolved by Atomic Force?" was the subject of the Lesson-Sermon in all Christian Science Churches and Societies on Sunday, December 19.

The Golden Text was from Hebrews 11: 3. "Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear."

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God creates and governs the universe, including man. The universe is filled with spiritual ideas, which He evolves, and they are obedient to the Mind that makes them. Science must triumph over material sense, and Truth over error, thus putting an end to the hypotheses involved in all false theories and practices". (Pages 295, 484).

LYNCHES

40th "RUBY" Anniversary

Forty years old this year. War Conditions prevent store wide sales features, however, each week we are offering you a lovely diamond engagement ensemble at below market value. Note our advertised price and our ceiling price. Visit our windows—you're always welcome

"PERFECT"
 \$175.

takes this opportunity to hope that your

Xmas Joy

hits

an ALL-TIME

HIGH

"FRANKLY"

it would seem that so far as "business" is concerned, we have hit an "all-time low" in many respects. The current year has seen more of the products sold by us join the list of "rationed merchandise." . . . Scarcities in other lines we handle are too numerous to mention . . . the labor shortage grows "worse," preventing our giving you the type of service we did in yesteryears. But all of these things will "right themselves" when the war is over, and just at present we're devoting our full co-operation to accomplishing that feat.

As we take stock of the year 1943, just about to pass, we consider our greatest asset is the fine spirit in which our faithful customers have accepted shortages, rationing, and curtailment of service. We will continue to serve you to the best of our ability, and hope we may count on your patronage during 1944.
