Flowers, widely known County employee residing at 311 Covington St., Florence, S. C. Mr. Flowers is a Mason, a Baptist and Veteran of the Spanish-American War. Speaking of Retonga he happily stated:

For several years I had such severe pains in the muscles all over my body that I was unable to walk up and down steps without extreme suffering. I had very little appetite, I could scarcely ever get a good nights sleep and I felt nervous and miserable practically all the time. Sluggish elimination also gave me considerable trouble. I tried treatments and medicines for years without finding much relief.

"Retonga gave me grand relief. I have a splendid appetite, I sleep lots better, and best of all, those

severe pains in my muscles are so relieved that I am now able to move around freely. Even the sluggish elimination is relieved. I feel worlds better generally. Retonga is fine."

Retonga is intended to relieve distress due to Vitamin B-1 deficiency, constipation, insufficient flow of digestive juices in the stomach, and loss of appetite. Accept no substitute. Retonga may be obtained at Rosemary Drug Co.—Adv.
