# LETTERS TOWN TALK

Friday, Aug. 28, 1944

Dear Carroll:

Hope this finds you well and I send you my appreciation for being so nice to me in printing my thanks of kindness to the people of Halifax County. I know each and every family back there has boys in the service, and know what a great job they are doing for their country and yours. I would like for you to put in The Herald that I thank Mr. and Mrs. Branch O. Clay for being so nice to me on my visit with them, and my wife and son, I really had a grand time. They live on RFD No. 1, Halifax, N. C. That was my first visit from overseas for over a year. I have been in more than seven major actions, in recognition of which I wear a silver star and two bronze medals.

Mr. Wilson, I have been in the service about two years. I hope I can be able to come to see you after the war, and tell you of my adventures. I would like to say that I am getting the Herald regularly, thanks very much. I would be glad for you to print this in the Herald. I have been around the world twice and still going strong, but I pray for the time we all can return to our homes.

Yours truly, a friend,  
Ray D. Barrington,  
USS South Dakota.
