Subject Sunday: "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced."

"Soul and Body" was the subject of the Lesson-Sermon in all Christian Science Churches and Societies on Sunday, November 19.

The Golden Text was from Psalms 84:2. "My soul longeth, yea, even fainteth for the courts of the Lord: my heart and my flesh crieth out for the living God."

Among the citations which comprised the Lesson-Sermon were the following from the Bible: "Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus. Who shall change our vile body, that it may be fashioned like unto his glorious body, according to the working whereby he is able to subdue all things unto himself" (Philippians 3: 13, 14, 20, 21).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The Science of being reveals man as perfect, even as the Father is perfect, because the Soul, or Mind,

of the spiritual man is God, the divine Principle of all being, and because this real man is governed by Soul instead of sense, by the law of Spirit, not by the so-called laws of matter" (Page 302).

CIVIL SERVICE EMPLOYEES ARE NEEDED

The battle on the home front will end only with the defeat of Japan. The false optimism now sweeping the country that the war is almost over is merely playing into the hands of our other enemy, Germany. The Germans realize they cannot win the war, but plan to make allied victory so terribly expensive, aided by the breakdown in civilian work and morale, that we will make a compromise deal rather than pay the price of unconditional surrender.

Women in Roanoke Rapids planning to work as clerks, typists or stenographers for our government in this hour of need, are requested to see Mrs. Lucy L. Murray, Civil Service Representative at the United States Employment Service office in Roanoke Rapids on any Wednesday. Anyone over 17 years old may be eligible for Civil Service positions, except those already employed in essential industry at their highest skill.

Nurses and Nurse's Aides are urgently needed and are requested to apply.

Skilled and unskilled men are needed for all types of work in our Navy Yards throughout the United States and Pearl Harbor. For further information see your Civil Service Representative at your local employment office.

Mrs. Glenn Spence left last Wednesday to join her husband in El Paso, Texas.
