She told us that during the month of January the Corps worked 340 hours at the Hospital. This is a much better record than we have made recently and shows that more of us are trying to do our part. We were glad to learn that several members who have been inactive for sometime for various reasons are now on the active lista gain. Mrs. Erma Edmondson and Miss Fay McLean were guests at the dinner Monday night. For once the number "13" proved lucky and Miss O'dell Dorsey won the "Pig."

Those making the Honor Roll are as follows: Miss Sy. bil Allen, Miss Sarah Cannon, Miss withdrawal. He refused to use slit trenches and foxholes and was exposed to fire during the course of an entire night. Cpl. Parker later assisted in building a bridge acorss a canal which was necessary to establish an escape route for companion troops. He accomplished both missions between dark and dawn, under the most hazardous conditions, and beyond the call of duty. His action was cited as outstanding example of gallantry. The We are proud to have eleven action took place when the 7th Armored Division was in comba on German soil.
