Put on your old Gray Bonnet and hitch up Dobbin and head right for the High School Auditorium next Wednesday Night, March 7, as the National Radio Jamboree with all the old favorites are booked for a personal appearance, starting at 8 P. M. This organization is too well known over all coast to coast net works to have to "Blue Print" them to the readers, however, they're coming with Jack Pierce and his Original Oklahoma Cowboys, The Chuck-Wagon Glee Club; Patsy, that original Golden West Cowgirl with plenty of "It", also that clown rascal Ezra and his Barn Dance Gang that will keep you roaring with laughter all the while. He will also pull that Bazooka on you and make you like it. You'll have the gayest, gladdest time of your young life laughing. Come early as "A Tip in Time Saves Standing in Line." So don't be late.
