More Comfort Wearing FALSE TEETH

Here is a pleasant way to overcome loose plate discomfort. FASTEETH, an improved powder, sprinkled on upper and lower plates holds them firmer so that they feel more comfortable. No gummy, gooey, pasty taste or feeling. It's alkaline (non-acid). Does not sour. Checks "plate odor" (denture breath). Get FASTEETH today at any drug store.

How women and girls may get wanted relief from functional periodic pain

Cardul, many women say, has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

THE OLD JUDGE SAYS...

"When you think of the sacrifices our fighting men are making in this war, it's hard to figure out how we'll ever repay them, isn't it, Judge?"

"Yes, it really is, Tom. There are only certain things we can do. Such as...write them cheerful letters often. Send them favorite gifts from time to time. Work harder than ever to provide them with everything they need to finish their job quickly. Buy more and more War Bonds... especially during the current drive... to

pay for the ammunition and fighting equipment they must have."

"All that still seems kind of small compared with what they're doing for us, Judge."

"True, but it's about all we older folks back home can do, Tom. Except one more thing. And that is to be sure our fighting men come home to the same kind of country they left behind. The kind of country their letters tell us they want. Nothing changed that they don't want changed while they're away and unable to express their wishes."
