## Don't Confuse Two Systems

People sometimes confuse their rights and responsibilities under the old-age and survivors insurance program with those under unemployment insurances. To help keep these two insurance systems straight in your own thinking, here are a few important pointers to remember:

Benefits are paid by the United States Government under the Social Security Act to you and your family if you qualify at age 65 or over and are no longer at work. Or they are paid to your family if you were insured at the time of your death -- whatever your age. Before you can collect old-age and insurance, you must first file a claim for benefits at your local Social Security Board field office. The address of the office which serves your county is room 208, Post Office Building, Rocky Mount, N. C. A representative of this office will be in Roanoke Rapids at the Employment Office every first and third Tuesday at 2:00 P. M.

Unemployment compensation is paid out of State funds under State unemployment laws. Benefits are paid if you are eligible and no suitable work is available. They are paid without regard to your age. Before collecting unemployment insurance, you must file a claim for benefits at your local State Employment office.

## To the People of this Community

Thanksgiving is in the air. The spirit of the Good Provider hugs you warmly. What better time or reason to buy another extra Victory Bond, the good provider of the future? As you sit around the festive table this year, first year of world peace since 1939, remember

the millions of men and women still in uniform in strange lands. In Germany about 2,500,000 Americans will be separated on this family holiday from fathers, mothers, brothers, sisters, wives, sweethearts and children. Every extra Victory Bond is a link between home and the Tokyo or Berlin patrol.

There's self-interest in your purchase of any extra bond today but there's service to your country too. You have most to gain by ownership of as many Victory Bonds as you can possibly buy. You guarantee yourself a better chance for personal peace and prosperity. You also help your government to pay the war costs and return home of men and women who will be badly missed Thanksgiving Day in your own home and your neighbor's home.

## Heads Halifax Negro Scouters

Rev. N. K. Dunn, pastor and Evangelist, of Weldon, was elected as Chairman of Halifax Divisional Committee, Boy Scouts of America, at a District wide meeting of Negro leaders in Weldon on Monday night, November 26. Elected to serve in a leadership capacity with Rev. Dunn was Jasper Wilkins of Roanoke Rapids, Vice Chairman, and Rev. C. C. Stanton Divisional Commissioner.

It is hoped that with the organization of a Negro Division of the Boy Scout organization in

this District, Scouting for and among the negro youth of this District will take on new energy. For many years Negro Scouting in this section has been run by the regular District Committee. With the organization of a Divisional Committee it will enable the Negro to have Scouting under the leadership of outstanding negro leaders.

Divisional Chairman Dunn has been instrested in Scouting for many years and has served on various Committies in which he has churches.

Rev. C. C. Stanton is one of the Districts oldest scout supporters, having had a troop of negro boys in Weldon almost 20

years ago, although they were not registered with national organization.
