will plan now to be present for the services at the Church. Lets Church at 11 a. m. Sunday morning February 10. It is our hope that an award will be given the troop that has the largest percent of their troop present for the services at the Church. Lets see if we can have 100 per cent attendance at this service.

SCOUTMASTERS ROUNDTABLE

The regular meeting of the Scoutmasters Roundtable will be with the Troop Committee and scout troop of 141. Monday night February 11 at 6 p. m. notices will be sent all scout officials giving the exact place of the meeting. It is understood that the troop committee of troop 141 will serve the parents of troop 141 and members of the Scoutmasters Roundtable. Troop 141 under the leadership of Scoutmaster Dorsey Neathery will be in charge of the program for the evening. All Scoutmasters, Assistant Scoutmasters, Cubmasters and assistant Cubmasters, together with members of the various troop committees and District Committee are invited to be the guest of troop 141 for the occasion.

OLD CLOTHES DRIVE

From the stand point of the response of scouts in the last old clothes drive that was staged in the city the drive was a huge success, we had more than three times the number of scouts needed for the drive, Scouts from troops 145, 146, and 147 are to be congratulated on their prompt response to the call for the drive. About 50 scouts were on time at 2:30 Friday for the drive, they waited until 4:15 for the truck that were to be in the drive, Rev. Edmond succeeded in rounding up two trucks about 4:20 p. m. from Howerton Gowen and Rosemary Mills, and the drive was started, about 4:40 the city truck appeared and completed the drive. We the officials of the Scouting program of the city are sorry that those faithful scouts were forced to wait for more than an hour, but appreciate the fact that they were ready for the drive when

arrangements had been completed. We hope that we will be able to get things a little better planned in the future.

FATHER AND SON BANQUET

The annual Father and Son Banquet will be held this year at the High School Lunch Room near the high school building, Friday evening, February 8 at 6 p. m. Scouts and Cubs of the city are urged to invite their father to attend this Pot Luck Supper with them. Each Scout and Cub attending the supper will be expected to furnish sufficient food for himself and visitor. We are hoping this year that we will have more than three hundred in attendance at the supper. Awards will be made to the troop having the best scout skit, best advancement and the outstanding scout troop of the district, together with the scout who has done the most toward the scouting program during the past year. It is also hoped that the Camping and Activity Committee will be able to supply Civic Service ribbons to those scouts of the city and district who have earned the privilege of wearing the ribbons.

SHOW FOR SHIRTS OFF BACK CAMPAIGN

Activity Chairman C. A. Irby has succeeded in getting a free show to help in our drive for old Scouting equipment for Scouts of foreign countries. Chairman Irby announces that he has arranged for an early run of the regular Saturday's show at the Royal Theatre, Saturday morning starting at 10 a. m. there will be only one showing of the picture. Ad-

mission to the show will be a contribution to the Shirts Off Our Back Campaign that has been started by National Headquarters. It is the hope of the National Council that every Scout now in the Boy Scout Program will arrange to give at least some part of a Scout uniform. Each Scout in the city or District that gives a part of a uniform or other scouting equipment to their scoutmaster will be given a ticket to the Saturday morning show at the Royal Theatre. The show will not be limited to Scouts alone, but will be for all those that have such equipment to give to the Scout drive. Some youngster might have had an older brother connected with the scout and would like to give his equipment to this worthy undertaking, if so he will also receive a free ticket to the show at the Royal, through the Scoutmaster of the troop to which he takes his equipment. We have plenty of room in the theatre and hope that we will be able to fill every seat in the building.

CHURCH SERVICES SUNDAY

The annual Boy Scout Church Sunday will be observed at the Presbyterian Church on Sunday morning at the regular morning services with the Rev. Johnnie Walker preaching. Last year we had the smallest number of Scouts and Cubs to attend the services that we have ever had in the City Church Services. We certainly hope that scouts and cubs
