

Jax Continue Winning Ways, Trounce Washington, 18-1

By WYLIE WARREN
A fourteen hit attack by the Roanoke Rapids Yellow Jackets who recorded their fifth conference win on the ledger, and six-hit pitching by five Bee-Hive hurlers, gave the locals a convincing 18-1 victory over the Washington Pam-Pack here last Thursday.

Howard Short, John Crutchfield, Marion Brown and southpaws Ted Etheridge and Archie Moody kept the Pam-Pack in check with a half dozen safeties.

Coach Hoyle used twenty four players in watching his boys remain as master of ceremonies in taking their fifth consecutive win. The Jacket understudies started the contest and kept the situation well in hand as they shut out the Pam-Pack 6-0 in their four and one-half innings of play. The Bee-Hive regulars then took over and were reached for the Packers only run while crossing the dish twelve times themselves.

The locals counted four times in the initial frame on two hits by Weiss and Stewart, a trio of free passes and a hit batsman. Before the regulars came in for their stickwork, the sub starters tallied two more runs, one in the second and third stanzas.

The subs replacement crew opened fire in the sixth frame, counting seven times on seven hits and a pair of miscues. The Jax completed their timberwork in the seventh by tallying five markers on a two base hit, a base on balls and five errors by the Packers.

Charles Smith and Wyle Warren driving in six runs between them with doubles, and Linwood Butler, Vance Stewart and A. R. Hardison batting in two runs each, topped the winners in their fourteen-hit assault against two Washington tossers.

Roanoke Rapids plays Elizabeth City's Yellow Jackets in the coastal nines' territory today.

EARMAN'S WESTERN AUTO ASSOCIATE STORE IS NOW MOVING

To new quarters and into a new modern building at 1007-9 Roanoke Avenue, same side of the street, only five doors North of our present location, between Peggy Ann and Chimney Corner.

To move and place our huge stock will require about thirty days. We will sell in both the new and old stores during the moving period. Active selling in the new store will begin about May 1.

Our new building has about three times as much floor space as the old store. Eventually, we hope to offer five times as many attractive values.

New steel fixtures we had ordered have been postponed by suppliers for three to six months—but we will have them when available.

Thousands of new and hard-to-get merchandise items will be added rapidly.

In the meantime—if it's not at the old store, try the new store. If it's not at the new store, try the old store.
