

Episcopal Church First Family Day

A second family day, featuring the second office of instruction on the church, the sacraments and the ministry, will be held in All Saints Episcopal Church next Sunday at 11 A. M. According to the rubrics or directions of the Book of Common Prayer and the Canon Law of the Church, "The minister of every Parish shall diligently, upon Sundays and other Holy Days, or on some other convenient occasions, openly in the Church instruct or examine the youth of His Parish. And all fathers, mothers, guardians and sponsors shall bring those for whose religious nature they are responsible to the church at the time appointed, to receive instruction by the minister." All parents and teachers of the Episcopal Church School are urged to do this Sunday. The First Family Day this spring was held last Sunday on Mother's Day, as the climax of Christian Family Week, when the first office of instruction was read and a sermon preached on the Christian Home and Marriage. This Sunday the sermon will emphasize Religion in the Home.

VOTE FOR COLLIER

BECAUSE HE

OPPOSES SALES TAX

TO THE VOTERS OF HALIFAX COUNTY:

As you know, I am a Candidate for The House of Representatives, and will appreciate your vote and support.

It is impossible for me to see each of you in person so I am taking the opportunity of appealing to you through the Press, so please take this as a friendly message from me to you.

If I am elected, I promise the people of Halifax County, and the State of North Carolina, that I will use my best efforts to repeal the Sales Tax, which I think is one of the most unfair taxes the people of North Carolina were ever burdened with. This Tax was imposed as an emergency Tax, but now that the State of North Carolina is in a sound financial condition (as shown by the reserve fund) I think it is time to do away with the Sales Tax.

I will personally see that a Bill to repeal the Sales Tax is presented to the House of Representatives, and will do all in my power to have the Bill passed in the House and Senate.

If you are opposed to the Sales Tax, then support me in the Primary of May 25th, and I will support you in Raleigh.

Yours very truly,

Signed: W. J. COLLIER
