#### CHRISTIAN SCIENCE SERVICE

"SACRAMENT" was the subject of the Lesson-Sermon in all Christian Science Church and Societies on Sunday, July 14.

The Golden Text was from I Corinthians 10: 16. "The cup of the blessing which we bless, is it not the communion of the blood of Christ? The bread which we break is it not the communion of the body of Christ?"

Among the citations comprising the Lesson-Sermon were the following: The Bible, "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth" (II Timothy 2: 15.) And from Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Few understand or adhere to Jesus' precepts for living and healing. Why? Because his precepts require the disciple to cut off the right hand and pluck out the right eye,—that is, to set aside the most cherished beliefs and practices, and leave all for Christ" (P 141).

#### Card of Thanks

We want to thank our friends for their many kindnesses, true love and sympathy shown us during the illness and death of our son and brother.
