The Rosemary Baptist Church will sponsor International Emphasis Week starting Sept. 7 and lasting through September 14. Believed to be the finest meeting of this kind in this community, the program will start Monday night, Sept. 8, at 6:30, with a covered dish supper held at the church for the Intermediates and their parents. The Rev. Ed. Berkeley will be the guest speaker and his topic will be "Courtship and Marriage."

Wednesday night the Intermediate Department with Rudolph

Waters will be in complete charge of prayer service. Old time gospel singing led by Mr. Waters will be special. H. A. Giles will speak and his topic will be "What We Teach Intermediates."

A campfire program is scheduled for Friday, Sept. 12. Intermediates and parents are asked to meet at the church at 4:30 if they desire to go swimming. Intermediates are asked to bring a picnic lunch as there will be a picnic spread. Those who cannot leave at 4:30 can come out for the picnic spread which will be followed by a program of singing and games by the campfire with Mr. Will Nelson in charge. The program will start at 7:30. The entire program takes place at Panacea Springs.

The week will climax Sunday with a special program held in the Intermediate Department. Intermediates are asked to stay for church and sit in a body. A message for the Intermediates will be delivered by the Rev. Marshall White-Hurst, pastor of Rosemary Baptist Church.

All Intermediates and parents are cordially invited to attend all programs.

### Overman Clarifies 'Legal Age' For School Enrollment

Clarifying a misunderstanding on the part of some of the parents in the county in regard to legal age of school entry this week, county superintendent W. Henry Overman issued a statement as follows:

Many parents ask that they be allowed to send their children to school before they become of legal school age. Some have understood that the age for school entrance was changed during the last General Assembly. A bill was introduced to this effect but was not passed. The entrance age remains the same.

The principals and teachers have been instructed not to allow children to enter school unless they are six years old on or before October 2. A birth certificate or written record of age was required of all beginning pupils.

"In order that all parents may know whether his or her child should enter school this fall, I quote the section of the School Law relating to tenhundredth relating to the entrance age: "Children to be entitled to enrollment in the public schools for the school year one thousand nine hundred thirty-nine and each year thereafter, must be six years of age on or before October first of the year in which they enroll and must enroll during the first month of the school year."

"The Attorney General has ruled that children who are born on the second day of October become six years of age on the first day of October and are, therefore, entitled to enter school this year under the above section of the School Law."

Keep the hens and pullets laying by good housing, good feeding, plenty of water, green feed and keep litter on the floor. Litter must be deep in order to keep it dry. Add new litter on top of the old litter.
